SIR,

1. Head Accountant	on Rs 40
1. Clerk.	on Rs 15
1. TimeKeeper	on Rs 12
2. Night watchers	on Rs 6 each

In 1886-1887, the District Board sanctioned the opening as a temporary measure of a Workshop for the advantage of L. F. Works and entertained the marginally-no establishment. The maintenance of the workshop having been found useful, the establishment sanctioned for it has from time to time been continued until, at last, it has been looked upon as quasi-permanent and objected to by the Treasury Dy Collector (Audit Branch) for want of sanction of Government. The District Board thereupon resolved to maintain the establishment permanently and passed the enclosed resolution. The cost of the establishment will be charged to works. Under these circumstances I have the honor to request that Government will be pleased to accord its sanction to the maintenance of the establi-ment sanctioned by the Board.

necessary proposition statement is enclosed.

From

To
The Vice President,
District Board, Godavari

Sir,

With reference to your Ref. on Cir: No. 2180/D.B. dated 8-11-94, I have the honour to inform you that we certainly require the Accountant in the Workshop.

2. The following are the books &c to be maintained in the Workshop office:-

(1) Indents
(2) Day book of receipts of materials
(3) Do of issues of materials
(4) Ledger of materials received and issued
(5) Work Ledger
(6) Time book showing the distribution of labour over different works
(7) Imprest Account
(8) Nominal Muster rolls
(9) Bills showing the Cost of labour, materials and Centage on each work

(10)

Memo book of works sent out

It can only result in loss to Local Funds to break up the Workshop office as is apparently contemplated by the Dy Collector (Audit branch)

4. It is quite true that just at this time there is not very much being done in the Shops, but I have plenty of work in prospect; and if, when any temporary lull comes, it is proposed to disestablish the office, it will be very difficult to get on at all.

5. Rs 50 a month would I think be a fair salary to the post.

The salary of Rs. 40 paid to the Head Clerk appears to be excessive and may well be reduced to Rs 25, especially as there is another clerk on Rs. 15 to assist him. His duties appear from the Dist. Bd. Engineer's letter within to be light & simple.
