Disposal No. 445/95

South Canara District Board Office,
Mangalore, 12th August 1895

From

W. H. Welsh Esquire,
President, District Board,
SOUTH CANARA.

To

The Chief Secretary to Government,
Local & Municipal Department,
Madras.

Sir,

In continuation of this office Disposal No.

392 of 1895, dated the 1st instant, I have the honor
to request permission to offer Rs. 500 rising in
four annual increments to Rs. 560 to Mr. Underwood
District Engineer, Madura, as he appears to be well
qualified and as owing to Madura being a
very heavy district, he is likely to accept the
offer.

2. I would make the offer subject to sanction
by the Board, but I do not think they are likely
to withhold it, as they proposed to give that pay
to Mr. Macfarlane.

I have the honor to be,
Sir,

Your most obedient servant,

For President.

FOR ORDERS.

Please see the order on the
first current, & the second
current since received. The
Pres. first proposed to raise the
pay from ^{Rs} 400 to Rs 450 - 500.
He now asks permission to
raise it to Rs 500 - 560.

It seems clear that the reason
for this last proposal is the
President's desire to obtain
the services of Mr. Underwood,
now D.F. Engineer at Madura
on Rs. 500. (see civil list. p. 238.)

It is submitted that
a Dist. Eng. should not be
encouraged to entice away
another Board's Engineer in

the way. Raising the
pay because candidates
could not be procured for
the job figure seems to be
a very different matter

2. The Govt. is not ^{at present} prepared to sanction
a higher rate of salary than that
therein approved, more particularly
as the Pres's ^{main} reason for suggesting
a further increase appears to be the
desire to attract Mr. Underwood from
his present post in Madras.
