Sir
 In forwarding here-
 with a copy of Res. No. 2 dated
 11.3.95, I have the honor to
 request that you will be
 good enough to obtain the
 sanction of Government for
 the opening of a dispensary
 at Bhuwanaghin. Bhuwa-
 naghin is a major union
 and the head quarters of a
 Deputy Tahsildar & sub-division
 -trale. Its population in 1891
 was 12099. The Bhuwanaghin
 Division ranges from west to
 east 14 miles north to south
 10 miles. The nearest hospital is
 at Chidambaram 5 miles distant
 and separated by River Vellar

The following is the
present position of the
matter of opening the
dispensary. It cannot be postponed
to the next year's Budget & the
next year. The Government
has no objection to it being
in the Taluk Board's resolution but
allotment of funds.

which cannot be easily forded in the rainy season. On the
east Potohar is 9 miles distant, on the west Vriddbachallan
is 23 miles distant & on the north there is Keerijadi at
a distance of 11 miles. As you have been recently in Bhu-
vanaghi it is needless for me to write at length the
necessity for such an institution in this large
centre of population. The establishment of a dispen-
sary at Bhuvanaghi (at Bhuvanaghi) will be most
beneficial to the people of the town & Division. A propo-
sition statement for the establishment proposed to be
entertained is herewith sent.

I have the honor to be

 most desirable. The Taluk Board

To
 THE Honble the Chief Secretary to Government.
 Local and Municipal Department.

SIR,
 I have the honor to forward for the sanction
 of Government the accompanying application from
 the President District Board South Arcot recom-
 mending the opening of a dispensary at Bhownagiri.
 2. The reasons for this proposal are that the
 place is a large centre of population and the
 head quarters of a Deputy Tahsildar and Sub.
 Magistrate. Great difficulty is said to be
 experienced by the inhabitants to resort to
 the nearest hospital which is at a distance
 of 5 miles separated by a river and not easily
 accessible during the rainy season. Moreover
 the place is reported to be much frequented
 by Cholera.

3. As all these facts point to the necessity
 of the establishment of a dispensary, I recom-
 mend the proposal for the favorable con-
 sideration of Government.

4. The District Medical and Sanitary

Officer states that "Bhownaguri is a major union and a large centre of population, while the nearest hospital is five miles distant and separated by a river, said to be with difficulty fordable in the rainy season, the opening of a dispensary there may be recommended especially as this is a locality where cholera frequently prevails." xx
x. It is to be regretted that the District Medical and Sanitary Officer Surgeon. Lt. Col. H. Hyde was not consulted on the subject.

5. The usual proposition statement is herewith submitted but the term ward cooly is inappropriate as there are no wards in a dispensary. It should be designated "Dispensary attendant."
