GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again the following G.O., dated 16th February 1895, Mis. No. 740, Revenue :—

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated
8th February 1895, Mis. No. 634 :—

Read—the following letter from J. ANDREW, Esq., Acting Collector of Trichinopoly,
to the Secretary to the Commissioners of Land Revenue, dated Trichinopoly,
9th January 1895, Ref. on Cur. No. 1743 (b), Rev. :—

I have the honour to submit the following case for the orders of the Board.

2. An inam consisting of 20·49 acres of dry land assessed at Rs. 35-9-0 and bearing a quit-rent of Rs. 1-8-0 in Puttūr village, Musiri taluk, was granted many years ago by Thanappa Mudali for the support of the choultry in that village. At the inam settlement the inam was confirmed by the Inam Commissioner in the name of Ganapati Aiyar, who was then enjoying the inam lands under title-deed No. 94, dated 2nd December 1865. One Muttovelappa Mudali, however, urged his claims to the Inam Commissioner for the confirmation of the inam in his name on the ground that he was the legal representative (son) of the original donor. The Inam Commissioner disallowed his claims. Muttovelappa Mudali then instituted a civil suit which was decided in his favour. In 1882 Muttovelappa Mudali was put in possession of the lands. Later on in the year 1888, it was brought to notice by the Musiri Tahsildar that Muttovelappa Mudali failed to maintain the charity, or repair the chattram; and thereupon notices were served on him on several occasions allowing him time to resume the charity and repair the chattram, but he persistently failed to comply with them. I, therefore, recommend that the inam lands be resumed and fully assessed.

3. As regards the utilisation of the endowment, the President, Taluk Board, Musiri, was requested to state whether the Board would consent to undertake the management of the chattram and to continue the charity on condition of receiving the assessment *minus* the quit-rent due to Government, but the Board declined to accept the offer. It was thereon requested to intimate whether it would utilise the endowment towards any other charity in the same or in any other village. The Board now consents to maintain a water-pandal charity in Nedungur village in the same taluk with the aid of the endowment. As I approve of the Board's suggestion I beg to recommend it for the approval of the Board and the sanction of Government.

Reference on the above dated 28th January 1895.

The Collector is requested to forward a copy of the resolution of the Taluk Board agreeing to maintain a water-pandal with the aid of the endowment.

Read—also the following letter from J. ANDREW, Esq., Acting Collector of Trichinopoly, to the Secretary to the Commissioners of Land Revenue, dated 1st February 1895, Ref. on C. No. 1743 (c), Rev. :—

Adverting to Board's reference on Sub. No. 66, dated 28th January 1895, I have the honour to submit, herewith, a copy of the Musiri Taluk Board's resolution, dated 5th December last agreeing to maintain a water-pandal with the aid of the endowment in question.

Resolution—dated 8th February 1895, Mis. No. 634.

Submitted to Government with the Board's recommendation that the inam be resumed and the assessment made over to the Taluk Board, Musiri, for the maintenance of a water-pandal in Nedungur village as proposed by the Collector.

Order—dated 16th February 1895, Mis. No. 740, Revenue.

It is not clear from the Collector's letter whether the assessment on the lands in question (Rs. 35-9-0 — Rs. 1-8-0) was granted by Government for the support of the charity, or whether the lands were personal inams prior to their assignment by Thanappa Mudali to the choultry. If the latter, it is probable that the donor meant to assign the lands themselves to the choultry and not merely the assessment thereon, and action should be taken by the Board of Revenue under Regulation VII of 1817. The inam title-deed and the judgment in the suit referred to by the Collector may throw light on the matter.

READ—also the following Proceedings of the Board of Revenue (Land Revenue), dated 17th July 1895, Mis. No. 3573 :—

Read—the following letter from E. A. ELWIN, Esq., Acting Collector of Trichinopoly, to the Secretary to the Commissioners of Land Revenue, dated Trichinopoly, 4th July 1895, Ref. on Cur. No. 1743 (g), Rev. :—

With reference to Board's Proceedings, Mis. No. 1006, dated 26th February 1895, I have the honour to state that from the English inam register it appears that the land on which the chattram is built and the inam lands attached to it were originally poramboke, that the original Thanappa Mudali constructed the chattram and was enjoying the lands free of assessment and maintaining the choultry; and that at the inam settlement the lands were settled as inam. An extract from the inam register is herewith forwarded for the Board's perusal.

2. The present inamdar Thanappa Mudali *alias* Arunachala Mudali has filed an unauthenticated copy of the Kulitalai District Munsif Court's judgment in O.S. No. 783 of 1880. The suit was filed by Muthuvelappa Mudali, Arunachala Mudali's father, to recover possession of the chattram and the lands attached to it from his agent. There was an issue as to whom the lands belonged to, and it was decided in favour of Muthuvelappa Mudali on the ground that the lands had been in his enjoyment up to fifteen years before the inam settlement, and that it was only subsequently that the agent began to enjoy the lands. In giving the substance of the plaint in the judgment, the District Munsif stated that the lands attached to the chattram were formerly poramboke; that they were improved at the expense of the plaintiff's father; and that they were granted as inam.

3. From the above it will be seen that the original Thanappa Mudali constructed a chattram on poramboke land, and maintained it by improving and cultivating certain other poramboke lands without paying any assessment to Government, and that at the time of the inam settlement the lands were assigned as inam for the reason that they had been enjoyed free of assessment for a long time and the proceeds appropriated to the chattram.

Resolution—dated 17th July 1895, Mis. No. 3573.

Submitted to Government with reference to its Order, dated 16th February 1895, Mis. No. 740.
