SIR,

With reference to para 3 of Government Order No 803 A L. mis dated 4th May 1895, I have the honor to state that I advertised for a Local Fund Supervisor in the Fort St George Gazette, the Madras Mail, the Hindu and other local organs. Most of the applications I received are from men who are undesirable for some reason or other. I have selected what probably are the ten best and submit them to

Government herewith. The Local Fund Engineer

suggests that one Mr A. B. Colkers who appears

to be a young man with a great deal of

practical experience of road making and

who has gone through a recognised course

of Engineering training may be tried. I ^{has passed the}
^{Government's test}
see from his testimonials that he makes
a good subordinate officer and request
therefore that the Government may be
pleased to sanction his appointment as
Local Fund Supervisor on a salary of
Rs 150 per mensem. He appears to have
held charge of a District Engineer's place
for a short time in Salem.

From the President, District Board, Vizagapatam.

FOR ORDERS.

Please see the notes & orders in G.O. dt. 31st July 1894 No. 1417 L - The President's present nominee Mr. Colkers appears to be thirty years old and to have passed the overseer's test. Of the ten applications forwarded by the President, however, two are from B. C. Es of the Madras College of Engineering, one of them being the person referred to by the Chief Secretary and the Honourable Members in their notes on Current No. 1948 L in G.O. dated 31st July 1894, No. 1417 L, and No. 1916 L and 2095 L in G.O. dated 6th November 1894, No. 2282 L, who is now employed as

an

an Upper Subordinate, in the
Public Works Department in
the district of Madras, and the
other an estimator on Rs 60 in
the Sanitary Engineer's office - vide
list put up. There is apparently
no reason why Mr. Colless has
been preferred to these two men.

It is submitted that the person
appointed should be required to
pass the third class vernacular
test in Telugu within two years.

H.L.

I do not see any particular reasons
why the President's nominee should
not be approved. He has been
trained in the Madras Survey
Dept. & qualified by the Overseer's
test. He has also had 9 yrs of
approved service under part 1
