Sir,

I have the honor to forward a copy of the resolution passed by the District Board at its meeting held on the 13th July last and of the communication from the Assistant Inspector of Schools therein referred to for orders of Government and to state that in the circumstances brought to notice by the Assistant Inspector of Schools in the above communication the value of the school books amounting to Rs. 77-11-9, may be written off the accounts as the loss was not due to any neglect on the part of the Inspecting School Master concerned. On the other hand, the books were secured by him in a teak box supplied to him and he had to

No 1617

Office of the Sub. Assistant
Inspector of Schools,
Chingleput Range,
Chingleput. 7th June 1895

From

M. R. Ry

S. Goundararaya aiyengar
Sub. Assistant Inspector of Schools
Chingleput Range

To

The Assistant Inspector of Schools
Fourth Division

Sir, I have the honor to submit
the marginally noted letters received
from the Inspecting Schoolmaster,
Korjaveerava Salag, and to report that
in his absence at Chingleput, engaged
in my office in the preparation of
annual returns last month, white
ants spoiled the local fund books,
registers entrusted to the Inspecting
Schoolmaster for sale, as also some
of the records of the office

2 The enclosed statement furnishes
information regarding the Local Fund
Books that were on hand with him
when he left Wallajahabad, the quantity
that

Letters Nos 412, 420, 452
2-6-95 3-6-95 5-6-95

that was altogether spoiled, and the books that are yet fit for sale.

3 It would appear from columns 7 and 8 of the statement that books to the value of Rs 77-11-9 were destroyed and not even a pie can be recovered by their sale. Some of these books were recently superseded by abridged editions of the same or other books, and in my letter No 1427 of the 16th ultimo, to the President District Board, Chingleput, I submitted a list of the books and requested orders for their disposal.

4 Immediately after receipt of Natasanyar's letter No 412 of the 2^d instant I directed him to prepare a list of the books destroyed by white ants, and on the 4th instant, I proceeded to Wallajahabad to satisfy myself how far the facts in the letter were true.

5 As stated in the enclosures the

the spoilt books were left in a large teak wood box, which was fixed in a paved part of the house. I was not able to ascertain how the white ants got into the box. The box being an old one, supplied to the Inspecting Schoolmaster years ago, the white ants got in through some small opening, and as the house was unoccupied for nearly a month, the contents of the box were destroyed.

6 I beg to recommend that the District Board be moved to write off the value of the books destroyed, as the loss was not caused by the carelessness of the Inspecting Schoolmaster.

7 As requested in para 3 of his letter No 420 of the 3^d instant, I beg to recommend that an almirah for Rs 15 or a strong tin box may be supplied to the Inspecting Schoolmaster for the safe custody of the books.
