To

LOCAL AND MUNICIPAL DEPARTMENTS,

FORT ST. GEORGE.

(Through the Divisional Officer.)

Sir,

In reply to your endorsement, no. 1300 dated 13th September '95, on letter from the Surgeon-General with the Government of Madras, no. 2/6497 dated 27th August '95, subjoining the explanation of the District Medical and Sanitary Officer, North Arcot, explaining the delay in the submission of the vaccination returns nos. I to III 1894-95, I have the honor to state that when the returns were submitted to the District Medical and Sanitary Officer on the 26th April last he was requested to expedite their return as they had to reach the office of the Inspector of Vaccination on the 30th April '95. He however explains his inability to have complied with the request for reasons stated in his letter under reference.

2. Owing to the very heavy work in this office entailed by the Registration of Carts, Vehicles, and animals, as also to other urgent works which

which had to be despatched within the 1st month
of the Official year, it was not possible to send
the Return before the 25th April '95.

I have the honor to be

Sir
Your most Obedient Servant

SIR,

With reference to G. O. No. 1243 in. inis. of the 2nd August 1895, Local & Municipal Department, I have the honour to subjoin the explanation of the District Medical & Sanitary Officer, North Arcot.

"The forms were received in this office on the 25th April 1895. They were forwarded to the Municipal Vaccinators on the 26th idem and received back on the 28th; but were returned for correction. They were finally sent to the Chairman, Municipal Council, Vellore, on the 1st May last, so that the delay in this office was as little as possible under the circumstances of the work being very heavy at the time, but the Chairman should have sent the forms sooner I think."

I have the honour to be,
