at Tindivanam appears to be a good one and I think it may be advantageously introduced also at Tirukkoyilur. The latter Union consists of 3 villages i.e. Keelur Tirukkoyilur and Santhaipet. It may be divided into 6 wards. Keelur and Santhaipet will each constitute a separate ward. Tirukkoyilur being divided into 4 wards. The present members of the Union are those named in the margin (on the reverse). Though it is desirable to continue some of the members on account of the influence they possess in the villages yet it is not likely that owing to their age they will be able to do as much active work as a younger member. It therefore appears necessary to have more members

I would propose that Mr. K.V. Subramania Aiyar and Ramachandrier be also appointed members of the Union Punchayet. The written consent obtained from each of them are enclosed.

SIR,

In submitting herewith a copy of the Taluk Board's Resolution No. 20 / 22-6-95 I have the honor to request that you will be so good as to obtain the sanction of Government for increasing the strength of the members of the Union Punchayet at Tirukkoyilur from 8 to 10 as proposed by the Taluk Board. The increase has been thought necessary in connection with the introduction of Ward System recently. The Union is now divided into 6 wards and as it is not likely that some of the members will be willing and able to undertake to do active work under the new system which involves their constantly going about almost every day for the purpose of attending to Sanitation and other matters, the increase has been proposed. In a place like Tirukkoyilur which is very backward in point of education, some of the members cannot be expected to be as public spirited and selfdenying as the others and hence it is absolutely necessary to have more members on the Punchayet than there are at present, if the Union is to be efficiently managed.

SIR,

I have the honour to submit the following for favourable orders of Government.

In September 1894, Surgeon Lieutenant J. L. Macrae while acting District Medical and Sanitary officer of Bellary purchased a copy of the Civil Account Code for the use of his office without obtaining the necessary sanction for the purchase. The audit department objected to this and in February 1895 an application was made to Government to sanction the purchase. In their order dated 12th March 95 No. 469 L Mis the Government referred this office to the orders contained in G.O dated 4th October 1894 No. 1962 L and refused sanction. The Treasury Deputy Collector thereupon kept the amount (Rs 4-8-0) being the price of the book under objection and desired that the amount should be recovered from the party responsible unless proper sanction was obtained. After some

correspondence.

September last of a copy of Civil Account Code for the use of the office of the District Medical and Sanitary officer, the amount of Rs 4-8-0 being the price thereof should be refunded.

Read also District Medical & Sanitary officer's letter No. 1644 dated 21 May 1895 requesting that under circumstances stated in his letter, the matter may be reconsidered and special sanction of the Board obtained.

Sanctioned as in item provided in the Budget for 1895-96.
