Municipal Department,
(through the President, District
Board, Kurnool.)

Sir.

Thru' The Surgeon General to the
Govt of Madras.

Peapally is one of the
largest Villages in the Pattikonda
Taluk. According to the last
Census, its population numbers
3719. It is a union Village
and is also the Head quarters
of the Deputy Tahsildar and
the Deputy Collector of the
Division. It has besides,
a

a few minor public offices, such as the Registration and the Forest &c. These offices attract to them many people from the surrounding Villages. It has a Traveller's bungalow and a Rest house, where travellers both European and Native make short halts. This being the case, while Villages of comparatively minor importance in the jurisdiction of this Board, have been provided with medical aid by the Establishment of small dispensaries, Peapally has been left altogether unprovided. Last year, peculiar fever of a bad type prevailed in the Village to a considerable extent and caused loss of life. The nearest Dispensary to the Village is that at Dhone, a distance of 15 miles. Taking these facts into consideration, the Taluk Board at its meeting held on 23rd April 1895, has sanctioned the opening of a Dispensary on a small scale for the benefit of the people of this and the surrounding Villages.

Villages. The District Surgeon estimates the initial cost of opening one at Rs 504, and the cost of maintaining it at Rs 744 per year. I have the honor to request that you will be pleased to obtain the sanction of Government to this measure. The cost when sanctioned, can be met from the Taluk funds.

I have the honor to be,
Sir,
Your most obedient
servant.

SURGEON MAJOR-GENERAL C. SIBTHORPE, F.R.C.P.J.
SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,
Madras,

To THE Honble the Chief Secretary to Government.
Local & Municipal Department.

SIR,

I have the honor to transmit the accompanying
letter to your address from the President Taluk
Board Ramallakota requesting sanction for
the opening of a dispensary at Peapally on the
grounds that it is one of the largest villages
of the Pattikonda Taluk with a population of
3,719, being at the same time a Union village
and also the head quarters of the Deputy Tahsildar
and the Deputy Collector of the Division 4th.
2. The District Medical and Sanitary Officer
Kurnool to whom a reference was made on the
subject concurs in the opinion of the President
Taluk Board and says that Peapally is not
only one of the largest but also one of the
most important villages in the District
being situated on the Kurnool - Gooty Road
and freely resorted to by travellers. It is also
said to be on a plateau nearly 1000 ft above
any other village in the District and is
invariably the temporary residence of

District Officials while on circuit during the hot season.

3. Under the above circumstances I am of opinion that the opening of a dispensary at Peapally is most essential. This will at least ought to do away with the necessity of a Hospital Assistant being employed on the establishment of the Deputy Collector of Rannellaholi Division as his Head Quarters are at Peapally.

Please see go
No. 116 Revenue
31.1.87
540. 2.
6.8.89.

4. I consider the estimates for the up keep and initial expenditure sufficient.

5. If the dispensary proves a success after a year's trial that provision should be made for a standard plan out patient dispensary with quarters for the Hospital Assistant.

6. I cannot however agree in the proposal to place the new dispensary in charge of a 3rd Class Hospital Assistant. - From the facts mentioned above it appears to me that the medical subordinates should be competent to deal with cases which are likely to occur in an important place like Peapally. I am therefore of opinion that provision should at least be made for a 2nd Class Hosp. Asst. should any financial objections exist to the employment of a 1st Class Hospital Assistant.

I have the honor to be
Yours Most Obedt. Servant.

Order 6-9-95 N. 16302

The Taluk Board's proposal cannot be sanctioned in the present state of the Board's finances. The Board already spends nearly twice as much upon medical relief as it does upon small portions of the receipts is communications... it cannot be expected that the Board should be a disburser of the Government's money. The Board is already spending too much on the Taluk Board's expenses. It is a waste of money to pay for the Taluk Board's expenses. It is a waste of money to pay for the Taluk Board's expenses.
