OFFICE
OF THE
COLLECTOR & MAGISTRATE,
MASULIPATAM,
KISTNA DISTRICT.

Local & Municipal Dept. 1895
CURRENT NO. 3004/M

FROM,

J. N. Atkinson Esquire

COLLECTOR, KISTNA DISTRICT.

TO,

THE Chief Secretary to Government
Local and Municipal
Department
Madras.

SIR,

I have the honor to forward herewith
a statement showing the results of the elec-
-tion held at Guntur on 20-8-1895 for a
Municipal Councillor in Ward No. 1.
No objection petition under rule 35 of the
election rules has been filed before me

2 A revision petition was, how-
-ever, filed under rule 20 when the
chairman published his list of nomi-
-nations under rule 19, but not being able
to pass orders thereon under the circum-
-stances noted in the next para, I in-
-formed the petitioner that he might urge
his objections after election, which he
did not do, the candidate objected to
having been defeated in the election.

3 The revision petition was received by me in camp on 11-8-895. It was sent to Masulipatam for certain references on 12-8-895 and it reached Head Quarters on the 14th idem. From my Head Quarters it was despatched on the next day to the address of the English Head clerk in camp with me at Berwada. By the time the papers reached Berwada, the English Head clerk had left that place for Masulipatam and so the packet went back to Masulipatam unopened and reached the English Head clerk there on the 20th idem. As the election was to be held on the 20th, my decision should have been communicated to the chairman at latest on the 17th to enable him to publish his list of valid nominations under rule 21. As the papers were in transit, on that date, no orders could be passed in time. Under rule 19, the chairman should publish his list of nominations 15 days before the election and hear objections and give decision the next day; and within one week thereafter an appeal may be made to the collector. If the appeal be made on the last day of the week allowed, the collector will have only one week to give

his decision. This is of itself quite insufficient for an itinerating officer, but as the collector's decision should reach the chairman three days before the election, the period at the collector's disposal is further reduced to 4 days or even less when allowance is made for transit in post. It is quite possible that during these 4 days the collector may be in any remote corner of the District and the papers may not reach him within time at all. Even if the collector has a full week within which to communicate his decision to the chairman, the point or points for decision may be of such a nature as to require very careful consideration and reference to previous decisions which cannot always be found at a moment's notice. Meanwhile there are multitudes of other subjects of much greater importance demanding the collector's attention, and so it may, and indeed often must, happen that there is no time for that officer to give a considered decision before the period allowed by the rules has expired. I therefore request that the rules may be so modified as to give the collector more time to decide these revision petitions.

I have the honor to be,

Sir,

Your most obedient servant,

Amamamam

Please see the notes in P. D.
11 Oct 94 No. 1432. The amended rule 1895
appears doubtful however whether the amendment
as proposed meets a case like the present -
Perhaps the wording might be slightly altered.
I cannot see how the rule seems to
need the case.
