To,
The Chief Secretary to Government
Madras.

Sir,

In acknowledging receipt of your Memorandum No. 1314 dated 14th Instant, I have the honor to submit the following explanation for the discrepancies noticed in Clauses (4), (6) & (8).

Clause (4) - Owing to inadvertence the Statement VA did not include the examination results of the Mappila School which had been separately reported upon by the Inspecting School Master to the Sub Assistant Inspector of Mappila Schools. From this Institution 5,288 pupils were presented for examination in the Infant First and Second Standards respectively. Of these 1,286 passed in the respective Standards. When these figures are added to those given in Statement VA the result tallies with that given in Educational Statement IV.

Clause (6) - With regard to the number of pupils presented and passed from Aided Schools on the results system the figures 125 presented and 94 passed given in Statement VII B were obtained from the Certifying Memoranda supplied by the Assistant Inspector of Schools in reference to Boys pupils in these Institutions which are aided from Municipal funds, while

which no figures are supplied to this Office of girls presented and passed as their grants are paid from Provincial funds. The excess 56 presented and 38 passed seen in Educational Statement IV over the above quoted figures is accounted for by the former including the results of boys as well as girls.

In the schools aided under the Combined System Statement IV shows an excess of 21 pupils presented and 16 passed over and above those given in Statement VII. The difference arises from the circumstance that 21 girls were presented and 16 passed from St. Andrew's School which result is embodied in the former return and omitted from the latter as these figures are not supplied to this Office.

Clause (8). In Column 2 of Statement IX the number of houses according to the Census is entered as 2570 as that is the figure obtained at the last Census taken in 1891, but the number 2849 given in the report for 1892-93 was based on the Census Statistics of 1881. as the result of the last Census was not published at the time that report was submitted.

I have the honor to be,

Sir,
