Sir,

In acknowledging with thanks the receipt of G.O.

2608 D, dated 2-4-95 (herewith returned) kindly

forwarded with your letter 26735 21.5.95. I beg to inform

you that the case therein stated by the Accountant General and concurred in by the Government does not apply to my individual case.

It applies to a non-official member having a permanent place of residence within the District limits but staying outside temporarily and travelling for the sake of the meeting.

My case was quite different. I had no permanent residence within the District limits at any time.

temporarily. My permanent place of residence had been Madras during the last 27 years, where I have got a house, family and children &c. I was Cuddappah before that. Being a Government servant I was residing temporarily in places where my appointment took me. Immediately I was suspended I had to go back to my permanent place of residence which was at Madras. My appointment as Tahsildar of Rayachong from which place I went on suspension was only acting and my residence there was extremely temporary.

In September 1893, I was posted from Hospett to act at Alur and in November of the same year, I was posted to act at Rayachong during the pleasure of the then Collector Mr. Sewell, and for no stipulated period. I was posted to Kudligi from Hospet in December 1893, vide Collector's Index n^o $\frac{1392}{5.12.93}$ while yet under suspension and my residence was then at Madras.

These places had been regarded as permanent places of residence, for the time being

i.e. while under suspension from May 1893 to June 1894 - vide para 2 of the Puck's letter in SO 27 2.4.95 no 6052

⊗ This was apparently his permanent office

it a loss to understand how I could claim my travelling allowance from Kudligi for October 1893 or subsequently where I had no permanent or temporary residence.

It is to be regretted that I was not informed at the time that my seat in the Board became non-official owing to my suspension nor was this difficultly anticipated. Otherwise I would have resigned my seat and saved the Board of this charge and correspondence. But as I have incurred an expenditure on account of the Board I submit I am entitled for its reimbursement.

I therefore beg to request you will be pleased to represent this my case again to Government and obtain sanction as a special case.

I beg to remain &c.
(Signed) Chuan Rau.

There is a great deal of force in the Tahsildar's arguments.

H.M. Order 9.9.95. No 165

The Government has no reason to
reconsider para 2 of its order of 2nd
April 1895 no 605 L, but for the months
previous to December 1893, the travelling
allowance should be calculated from
the stations to which ^{M.R.R. C. Gurne Rao was} ~~had been posted~~,
these ~~same~~ being regarded as his per-
manent places of residence within
the district, for the time being.

This seems right, but
I don't understand how
a man who was under
suspension can have received
a series of posting orders.

SIR,

In reply to your endorsement on ^{Govt} Memorandum

Secretary to Government I have the honor to state
it is hardly correct to say that the Tahsildar while
under suspension was "posted to act."

2. During the period of suspension he was
transferred to Kudligi and joined there where
his suspension expired.

Reference

The Collector's letter dated 16th
August 1895, No 98 submitted with
the President's endorsement dated 23rd
August 1895, No 1250 is not a sufficient
reply to Government Memorandum
dated 9th August 1895, No 1089. The
President will therefore be requested
to report how it was that the
Tahsildar, while under suspension,
received a series of acting appoint-
ments as would appear from his
letter dated 27th May 1895, No 1332
submitted to Government with the
President's endorsement dated 30th
May 1895, No 798.
