who secured passes at the Primary school examination from all the Sessional schools was 35. The Assistant Inspector now reports that the correct number is 33 and that by mistake he gave the figure as 35 last year.

3. The delay in the submission of this information is due to the non-receipt of information from the Assistant Inspector of schools, till the 23rd instant. He explains that the delay is due to the absence of the Sub-Assistant Inspector in the Agency till the first week of April, and that afterwards he (the Sub-Assistant) was engaged in the preparation of annual reports and lost sight of the matter till a reminder was sent to him from the Assistant Inspector's office.
