PRESIDENT DISTRICT BOARD,

To

THE HONORABLE MR.

CHIEF SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

MADRAS.

Sir,

The District Medical and
Sanitary Officer Tanjore -
brought to notice that he had
dispensed with the services of
the nurse - one Balambal - attached
to Porayar Hospital on the ground
that she was unfit for further -
service owing to old age and
to her having Cataract in both
eyes, and recommended -
that in consideration of her
long service of 31 years, she

wright

would be given a gratuity as
a matter of grace.

2. The Kulubakonaw
Tahiti Board before whom
the subject was placed on
the 31st May supported the
proposal. The District Board
at its meeting dated 29th June
1895, No 20, agreed with the
Tahiti Board and resolved
to grant the nurse under
Article 83 of the Local Fund
Rules a gratuity of Rs 60
being the amount of one year's
pay.

3. In Submitting herewith
for orders a copy of the District
Board's resolution above
referred to, I have the
honour to point out that
under Article 524(A) (V), the
nurse is apparently entitled
only

only to a gratuity equal to
six months' pay or Rs 30.

I have the honour to be

For orders.

The nurse has 31 years service.
The question is whether her service can
be considered "purely manual" within the
meaning of the G.O. quoted in the draft
order. Her service has been held to be
purely manual. The notes in the original
of the G.O. quoted show what was in the
mind of H.M. when the expression "purely
manual" was first used. It seems
that as a nurse requires training &
special skill her work cannot well be
called "purely manual" if even though she
does no writing work.

I am doubtful whether this is a case in which
a gratuity should be given. The woman has been
called a nurse but her pay is only
Rs. 5 a month. The work has been taking

of 31 years however and has been called
