CURRENT No. 2954M

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper.-

From the Surgeon General Madras, dated 11th. September
1896, No. 383.

I have the honour to state that the sum of Rs.520,
sanctioned in G.O. No. 527 dated the 18th. April 1892 for the
up-keep of the Cochin Civil Hospital, has not hitherto been
provided for in the budget estimate of the Medical Department
under the impression that it was a charge debitable to the
Political Department. But the Accountant General has since
informed me that it is a purely medical charge and should, with
the sanction of Government, be included in future budget esti-
mates. He also suggests that the charge incurred for 1895-96
should be sanctioned by Government. I, therefore, request that
Government will be pleased to accord the required sanction.

ORDER, dated 20th. September 1896, No. 713.

The amount will be passed for the current year
and included in the estimates for 1896-97 under "Grants for
medical purposes"; but the question of continuing the allowance
will be separately considered.
