READ—the following paper :—

From the Executive Engineer, Cuddapah Division, to the Superintending Engineer, III Circle, dated Bellary, 2nd July 1895, No. 721.

I have the honour to forward, herewith, a copy of a letter from the Collector of Cuddapah asking me to obtain the sanction of Government to the conversion of the old taluk cutcherry buildings at Ráyachóti into the following offices when the new cutcherry is completed and occupied. I therefore request you will apply for the necessary sanction.

1. The cutcherry to be converted into a public choultry.
2. The Police station to be converted into a village chavadi.

I am not sure if the sanction of Government is actually necessary, as I cannot find anything in the Government of India Code to correspond to paragraph 980 of the old Madras Code, and I shall be obliged if you will give me a definite ruling on the subject.
