MADURA DISTRICT BOARD OFFICE,

20th August 1895.

From

J. Swigg Esquire,
President, District Board,
Madura.

To

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

I have the honor to forward herewith a list of incomplete works of 1894-95 of the district and Taluk Boards, for which allotments were made in the current year.

The President of the Dindigul Taluk Board has not submitted the list complete and states he is in correspondence with the District Board Engineer in respect of many of the works for which allotments were asked. The Board allotted funds for only such of the works as required no reference to the District Board Engineer, and these have been included in the consolidated list enclosed. The Sivaganga Taluk Board, in the absence of the revised figures showing its Reserve and Balance, which were communicated to it only on 2-8-95, allotted more funds than it actually had under General Fund Balance, and I since desired it to allot the amounts from the Reserve instead. The Ramnad Taluk Board for the same reason was not able to point out the source from which it made allotments. As soon as I have further information from these Taluk Boards, I shall submit a supplemental list; meanwhile I submit the enclosed Statement as it is already overdue.

I have the honor to be
Sir,
Your most obedient servant,

Swaminathan

for President.

Total amount allotted above for incomplete works excluding the allotments made by the Ramnad Taluk Board which has not yet communicated the sources whence it made its allotments	38790	Gen. Fund Balance. 45879	Gen. Fund Balance as per Budget 17789
