Sir,

I have the honor to forward
herewith 2 Treasury receipts for Rs 4596-9-5
and Rs 11-10 being the toll contribution due
to the District Board for the year 1894-95 ^{and}
on account of interest collected from the
Toll Contractors during '92-'93 respectively.

Tolls
Directing the ^{Municipal} Council and the Taluk Board
of Palghat to request that you will be good enough
to acknowledge the receipt of the same
the balance of Rs 522-2-2
due by each of them to the
District Board. A statement showing ^{how} the amounts were
account of it arrived at is also herewith forwarded
and the contribution for
as requested in your letter dated 21st
the Municipal Board
respectively. March 1895 n^o 632
L7 of '95.

3. From the statement enclosed it will
be found that the sum payable to the
District Board for the year 1894-95 amounts
to Rs 5138-12-1 but of this, a sum of Rs 542-12-1
has

has been recompe'd by the Council, owing to their present financial difficulties for the balance due, on account of moiety of Hospital Contribution from the Palghat Zalk Board, as the Council had done in the years 1885-86, 1892-93 and 1893-94. The Council adopted the subjoined resolution on this subject.

14. Read letter dated 29th March 1895 from the President, Jaluk Soord, Palghat forwarding a cheque for Rs 2000 and stating that the balance of the Hospital Contribution will be paid in the next financial year.

The Council in their present unsatisfactory state of finances resolve to reconp the sum of Rs 542-2-8 out of the toll contribution payable to the District Board.

Referring to your letter of 6th ultimo n^o 1078, I have the honor to request you to pay without delay the Rs 542-2-8 which the Council has deducted out of the Rs 5138-12-1 due to this Board. The Council's action is, in my opinion, absolutely indefensible - Let each Municipal Councillor consider himself to be A in the following example. A owes B Rs 5000 and is owed Rs 3000 by C. He pays only Rs 2000 to B and informs him that as he is owed Rs 3000 by C he has deducted this sum from the amount due to him (B). Would any Court of Law sanction such a procedure?

2. The Palghat Taluk Board fund

is quite distinct from the District Board
fund and I cannot therefore allow
the Council to set a sum due to it
by the Taluk Board off against its
debt to the District Board.

L^o 839 / 7 from the President District Board

requesting that for reasons stated Rs 542-2-8

due to the District Board for '94-95 may be

paid

paid without delay.

The attention of the President District Board will be invited to G.O. nos 796 & 11697 dated 5th May and 20th September 1896 respectively, and also to the resolutions of the Council dated 27th March 1893 n. 34 and 15th May 1893 n. 19. It will be seen from them that the District Board is primarily responsible for the payment of the Hospital Contribution to the Council. Any arrangement made by the District Board for the payment of the Contribution by the Palghat Taluk Board does not affect the claim of the Council for the Hospital Contribution from the District Board funds. Moreover the Council would not have recouped the sum of Rs 542. 2. 8 but for the fact that they were confronted with financial difficulties in the last year. Under these circumstances, the Council trust that the President will be good enough to recover the sum from the Taluk Board or to issue orders for making the necessary adjustments in the

the accounts as was done in the previous years.

2 I request that under the circumstances stated, you will be pleased to issue orders for the recovery of the sum from the Palghat Taluk Board or for making the necessary adjustments in the accounts as was done in the previous years.

3. Copies of the resolutions referred to in the above resolution are herewith submitted. I beg also to mention that these and other resolutions are embodied in para 22 of my Budget Letter for '94-'95 read in G.O. dated 18th April 1894 n. 4922.

CURRENT No. 2409 L

From

H. Moberly Esq

President District Board
Malabar

To,

The Chief Secretary to Government

Local and Municipal Dept

Madras

Sir,

With reference to the concluding portion of para 13 of the Local Fund administration report for 1894-95, I have the honor to report that in accordance with go dated 20th September 96 no. 1697, the Palghat Taluk Board had to pay to the Talghat municipality a sum of Rs 2542-2-8 on account of Hospital Contribution, for last year. Of the above amount, the Taluk Board paid Rs 2000 in March 1895 and promised to pay the balance during the current year. The municipal Council there without

without addressing me, deducted the difference of Rs 542. 2. 8 from the toll contribution due to the District Board for '94-'95. This is not the first time that the Palghat Municipal Council has resorted to this irregular procedure. In '92-'93 when it made a similar deduction, the District Board recorded a protest against the conduct of the Municipal Council. It is true that under G.O. dated 20th September 1896 n^o. 1697, already referred to above, the net charges of the Municipal Hospital should be borne equally by the Municipality and Local Funds. The above G.O. was passed in '96 when there were no Taluk Boards. After the passing of the new local boards act of '84, all charges in connection with the Local Fund Hospitals and Dispensaries are borne by the Taluk Boards (vide rule 17 of the Local Fund rules embodied in G.O. dated 26th June '86 n^o. 721. L. F. Financial).

The Palghat Taluk Board is therefore the body primarily responsible for the payment of the Hospital Contribution and not

not the District Board as contended by the Municipal Council.

2. In these circumstances, I have the honor to request that Government will be pleased to direct the Municipal Council, Palghat, to pay up the amount of Rs 542. 2. 8 deducted from the toll contribution due to the District Board without further delay. Copies of correspondence that passed between me and the Chairman, Municipal Council, Palghat, on the subject are herewith enclosed for the information of Government.

I have the honor to be
Sir,

Your most obedient servant.
