(Through Divisional Officer.)

Sir,

With reference to your official memorandum, no. 132 dated 16th September '95, I have the honor to inform you that the Councillor who was deputed by the Council to select a site for a burial ground, selected two sites one for a burial and the other for a burning ground, near the River Palar, both of which had formerly been approved of by the then District Medical and Sanitary Officer, Doctor Lee, who had suggested the propriety of acquiring these sites under the Land Acquisition Act. The Overseer was called upon to prepare a sketch plan showing the situation of these sites.

The matter was brought before the Council at its meeting held on the 27th August last when it was resolved that the plan be submitted to the Collector with a request that the sites marked B & C therein may be acquired under the Land Acquisition Act for the aforesaid purpose.

The Collector has accordingly been addressed
