No. 261

Municipal Council's Office.

Trivangam, 10 October 1895.

To

Mr. P. N. Seshadriyengar Esq.,

Chairman,

Municipal Council,

Trivangam,

The Chief Secretary to Government

of Madras.

Fort St. George.

through the collector of

Trichinopoly.

With reference to para 3 of G.O.

dated 13 March 1895, No. 42766, Local

and Municipal, calling on me to report

the action taken by the Municipal Council

on Sanitary Commissioner's remarks

in the concluding portion of paragraph

II (a) of his notes embodied in the

above G.O. I have the honor to state that

Chadammuni Rengieran referred to in

the above paragraph was several times

presented

prosecuted under Section 222 of the  
District Municipalities Act IV of 1884,  
for having allowed sewage water in  
the street, but was acquitted with  
the remark that the Municipal Council  
has not provided any proper drainage  
etc. Soon after the receipt of the said G.O.,  
Madamuni Rengieru died and there  
were no proper persons to be required  
to arrange with the Municipality to  
remove the sewage water from the  
cesspool on payment of a reasonable  
fee or to be prosecuted at once.

Recently the Council, on the support  
of a decision of the High Court in  
15 Madras Indian Law Reports that  
has since come to its notice, resolved  
that this and analogous cases noted by  
the Deputy Sanitary Commissioner in  
his Inspection notes, dated 8<sup>th</sup> August  
1895, should be prosecuted again. The  
result of these proceedings will be duly  
communicated to the Government.  
Here

G.O.  
I was proceeding this  
morning to the  
Municipal Council  
as regards the  
matter of the  
cesspools. I shall  
be in a position to  
cleanse all the  
cesspools in the  
town, and will  
be in a position to  
do so.

Here it may be noted that when Cholera  
was prevalent in the town last year,  
the Municipality, had, agreeably to the  
suggestion of the Collector, removed,  
at its own cost, the sewage water twice  
a day, from this and certain similar  
cesspools, for about 2 months.

It is now under the contemplation of  
the Council to introduce proper water  
and drainage schemes in this town, and  
it has addressed the Government  
on the subject in its remarks on the  
Inspection notes of the Deputy Sanitary  
Commissioner. If the Government is pleased  
to sanction the proposal of the Council,  
the evils pointed out by all the Sanitary  
Officers in connection with these cess-  
pools will once for all be remedied.

I have the honor to be,

Sir,

Your most obedient servant,
