THE SECRETARY TO GOVERNMENT,

SIR,

I am desired to report for the information of Government that His Excellency the Commander-in-Chief, during his recent visit to Calicut was informed that the night soil from the barracks at that station, after being collected every morning, is taken away and deposited in the sea.

2. This His Excellency considers a very unsatisfactory arrangement and is of opinion that it would be preferable that the Municipality should undertake the scavenging of the barracks.

3. The Collector of Malabar reports that this can be done on payment of Rs 35/- per mensem to the Municipality and I am accordingly to solicit the approval of Government to this arrangement by which an annual saving of Rs 48/- will accrue

to
4 sweepers at Rs 6 each } - 24
per mensem
1 bullock cart Rs 15 } - 15
per mensem
39

to Government as the cost of the Conservancy Establishment at present is

at Calicut is Rs 39/- per mensem.
