ORDER—No. 1843 L., Local and Municipal, dated 7th October 1895.

The usual statement, compiled from the papers read above, will be published in the *Fort St. George Gazette*, and extracts from it should be reprinted in the Gazettes of the districts in which works have been carried out.

7

2. The President of the District Board, Trichinopoly, has given in his list a work which was executed from local funds. He will be referred to G.O., No. 303 L.F., dated 12th June 1885, under which only works of public utility constructed by private individuals should be included in the return.

M

3. The lists received from the Chairman of the Municipal Council of Adóni and the President of the Municipal Commission, Madras, should have excluded works which cost Rs. 200.

9

4. The Chairmen of the Municipal Councils of Kumbakónam and Srírangam and the President of the District Board of Anantapur have included in their lists works which were in progress during the year but were not completed before its close. Only works completed within the year should appear.

5. There was again considerable delay in the submission of these returns. Only two Presidents of District Boards and ten Chairmen of Municipal Councils sent them in on or before the prescribed date. The delay of more than two months in the receipt of the lists from the South Arcot district and the Cuddalore, Anakápalle, Walajapet, Kurnool, Mannárgudi, Rajahmundry, Negapatam, Chidambaram, Vizianagram and Cannanore Municipalities, and of more than four months in the receipt of that from the President, Municipal Commission, Madras, is unsatisfactory, and should be guarded against in future.
