Sir.

I have the honor to submit that the Sanitary Engineer with the Government of Madras has written to me in his letter No 2837 dated 18th October 1895 that a sum of Rs 28,000, be transferred to the Bank of Madras in his name, so as to enable him to pay the bills that may be presented to him by the Dindigul Water Works Contractors for payment and that in his letter No 3103 dated 24th October 1895, he further suggests that the same

same may be transferred in the shape of a Hoondy or currency notes for the amount -

2 The Accountant General in his letter No 2264/45 dated 23rd October 95 says that a Remittance transfer Receipt cannot be granted to Municipalities and that it is however open to me to address Government on the Subject.

3. The Sanitary Engineer urges that other Municipalities transmit their money ~~their money~~ H to him in the form of a Hoondy or currency notes But there are not facilities enough for either course here. Further the Sanitary Engineer is unable to accept either of my proposals to transfer the amount or more to his credit at the local treasury or to make the payments here.

4. I have therefore the honor to request that the District Treasury officer be directed to favor me with a Remittance transfer Receipt for Rs 28000 to the Bank of Madras as a Special case; or if under the existing circumstances a Remittance transfer Receipt cannot be ordered I request that Rs 28,000 or more may be placed in Consultation with the Sanitary Engineer at the Bank of Madras to his credit out of the grant promised in G.O No 585 dated 18th April 1895 and applied for in this Office No 234 dated 16th October 1895 -
