Sir

Referring to paragraph 7 of G. O.
dated the 8th ^{August} ~~August~~, No 1388 L, Calling
for an explanation of the omission to furnish
the Vaccination Return embodied in G. O.
dated the 19th October 1894 No 1502 M, I
have the honor to submit that the latter
G. O. was received only in November 1894,
and that it was understood that the
Consecutive number in Birth Register referred
to in the Return, might have been intended
to Commence with, or relate to, the births
from 1st October 1894 - the month of the issue
of the G. O., while on the other hand, it
would not be easy to introduce into the Return
the Cases of births prior to that date, and
therein precisely to account for them, by reason
of (1) want of facilitating cross-references
