SIR,

In forwarding the enclosed letter to Government from the Sanitary Engineer No. 3165 dated 30 October 1895, I have the honour to state that article 137(a) of the Civil Account Code is not in my opinion intended for cases such as that put by Mr. Jones.

In the circumstances explained the amount may be treated as a grant, the next grant being reduced by an equivalent amount.

A reappropriation to meet the grant will be necessary.

I have the honour to be,
Sir,
Your most Obedt. Servt.,

3. As the bill must be met (or if not met, will be dishonored) and it is drawn against me as a Government Officer, it is very necessary that by some means funds should be placed at my disposal.

4. It will be, I believe more than six weeks before the Municipal Council will receive the loan and meantime therefore I request Government will relieve me from the necessity of dishonoring the bill by placing the amount of Rs 6500 to my credit as an advance under Article 137(a) of Civil Account Code or otherwise.
