Forwarding copy of the

Special meeting of the Consec.

on the subject of appointing
a paid official Chairman.

For orders

Please see the notes and orders in
G.O. No 1511 M of 19th Sept 95
It is suggested that the Council may
be informed that the Govt still considers
it necessary to appoint a paid official
Chairman and that the salary of his
pay for eighteen months will be paid
as a contribution from Provincial funds.
The salary to be fixed by Govt between Rs 75 and Rs 1000.

This is a very nice
and shows pretty plainly how
the wind blows.
I don't see why the Council
should advertise in the
Gazette unless they too
intended to save their
Amount/notes

Very well - The Rs 1000
is per annum - They have
heavy expenses at present &
I dare say can't afford more

Read. G. O. N^o 1511 M Local and Municipal dated 19th September 1895, requesting the Collector to ascertain whether the Council approves the proposal of appointing a paid official Chairman and if it does, the name of the officer whom it would wish appointed, to submit to Government his suggestions for carrying the arrangements into effect.

In view of the fact that the conservancy and other requirements of the town are, as expressed by the Sanitary Commissioner, highly defective for want of funds, the Council thinks it can ill afford to maintain a paid Chairman and much more so in regard to maintaining an official Chairman of the proposed grade.

(2) In case the Government is determined to appoint at any rate an official Chairman which in the view of the Council is undesirable since the affairs of the Municipality can be satisfactorily managed by a full time non-official member in itself, the Council proposes to contribute not more than Rs 1000 per annum towards the maintenance of such a Chairman.

(3) In regard to the nomination of an official Chairman, the Council resolves to advertise in the Fort Saint George Gazette, inviting applications for the post on a pay between Rs 175 to Rs 250 per mensem as the Government may determine.

My dear Mr. Rice,

I forward to you
the Conjeevaram Munici-
pal Committee's full salaried Chairman.
I visited Conjeevaram on
Thursday the day of the meeting, and
saw the discussed matter with the
Chairman Council, but I was not
actually present at the meeting.
I think the Resolution gives
rather a false impression. It
seemed to me that the Coun-
cil as a body had no

had to report to the Munici-
 cipality in their interest
 that it would be most unwise
 to send up the first motion
 that they don't. At the
 same time I had to be
 most careful that no one in
 the Council could ever come
 forward to state that I as
 Collector had forced the Council
 to accept a resolution against
 their wishes. This would have
 been a decided evil - I am
 then always a perpetrator of
 such an assertion being made
 I think it as well to tell you
 beforehand that the ~~it would~~
 not be the case. At the expense of
 having the assertion made I would
 say I think have got some other
 resolution adopted - ~~it would~~

Objection to a salary
 & to pay his salary as far as the committee
 Chairman. The Sharma has the

of the Temple objected very
 strongly to Government having
 found fault with the mini-
 cipality & I gathered that
 the resolution as finally worded
 was a protest against the
 remarks of Government - that
 justice of which I believe the
 Council fully admitted to
 themselves, but to save
 their anima - propos they
 could not admit ^{that} to
 the ~~world~~ public by a

deputy - resolution the
practically would mean that
every step that government has
taken has justified. It was my
to the shame that influence
that the final resolution was
passed. I may say that
the original resolution passed
utterly refused to contribute
anything to the cost of the
final chairman, & though the
final resolution was not that
Rs. 1000 would be paid - then
was a party in the Council
who wished to pay half
what was the salary was. I
