FOR ORDERS.

I went carefully into the case at the time I thought it clear me - The peti. does not advance any arguments but simply offers to pay up. If the payment were accepted, the case would be compounded. But it is not a compoundable case. Moreover Govt. is not the prosecutor - The petition should be rejected - I should be sent I think to the S.M. for info - This offer to pay up at the 11th hour seems to me important

The prosecution of the petitioner was sanctioned in G.O. No 1100M., dated 12th July 1895, on the recommendation of the Collector, and subsequently the filing of a Civil suit against him for the recovery of the amount engaged was sanctioned in G.O. dated 25th July 1895. The petitioner now consents to pay what is lost and requests that the prosecution against him, which is posted for the 18th Instant, may be withdrawn.

Submitted that as this is a bad case the prosecution should continue

The man may be innocent but he looks like it. He has seen the letter from the Col. in G.O No 1110 dated 12 July 1895. He has waited until the last moment
