The Council is still of opinion that
it is rather premature to impose Art Tax
for the reasons already urged in the current
year's budget report. But in deference to
the instructions conveyed by Government
in its order under reply it resolves to
submit to them and to propose that the
tax on arts be levied from 1st April 1896.
It would also respectfully urge for the kind
consideration of Government that now

Current No. of 189 , dated from the

Order. No. 1907 Mins. 20-11-95

The municipal council's proposal to levy the tax on arts and professions from the 1st April 1896 is sanctioned.

2. The Chairman is requested to report whether the subscriptions amounting to Rs 800 promised by the people have now been collected and whether the council is willing to establish the school on the conditions referred to in para 3 of G.O. No. 440 M. dated 14th March 1895. It should also be stated how the council proposes to meet the cost of the school, if sanctioned, in the current year.

V.S. 14/11/95 W.S.D. 19/11/95 H. 12/11/95

The Council evidently does not like it at all but rather than forego the school which individual members of it probably would assent to the Arts Tax. It might be well!

To, The Chairman, M.C. Erode, Thru the Collector of Coimbatore.
Director of Public Instruction.

2. As the Council proposes to levy the tax on arts only from 1st April next, I do not see why it should be permitted to open a High School from 1st January next. Its establishment should not be anterior to the introduction of the arts tax and should be distinctly on the two conditions stated by the Director in para 1 of his letter No. 442, printed with G.O.
