To,

The Chief Secretary to Government
of Madras
Local and Municipal Department
Sir,

Adverting to para 4 (3) of
G. O. dated 16th September 1895 No 1502
regarding the repairs of the hospital
assistant's quarters, I have the honor
to report as follows:—

The building is in very bad repairs
surrounded almost by fields and consequently
very damp and unhealthy. It is also
very lonely and unsafe as it is
situated more than 3 furlongs from
the town. There is no sufficient
accommodation for the hospital
assistant

assistant to live in. To put the building in a habitable condition with the disadvantages stated above it costs the municipality more than Rs 300. The District Surgeon has in his last inspection report of the hospital, remarked that the present building is not suitable for the hospital Assistant's quarters and that the municipality should build another according to the standard plan.

2. Under the above circumstances the Council is unwilling to repair the present building and has consequently resolved to use it as a contagious disease ward. To suit it as such, necessary repairs are being made at a small cost.

3. As there is no house available within 200 yards of the hospital, the Medical Subordinate has been permitted by the Council to live in

the first ward which is the nearest
to the hospital and to draw the
actual house rent not exceeding
Rs 5 per mensem. A new building according to the
standard plan will be constructed
close to the hospital and on a better
site as soon as funds are available.

I have the honor to be,
Sir,
according to the standard plan.

Your most obedient servant,

the Council is recommended to use it as a
the present building. Lehauman.

Subsequently resolved to use it as a
contagious disease ward. To suit
it as such, necessary repairs are
being made at a small cost.
