The Resident in Mysore.

Sir,

I am directed to acknowledge the receipt of Mr Lee Warner's letter, dated 2nd May 1895, No ¹⁴⁸⁵/₁₅₈₋₉₅ regarding the acquisition under the Land Acquisition Act of a strip of land in British territory for the road from Chintamani to ^{Chalur} ~~Chaluk~~ in Mysore.

2 As the application of the Act for the purpose of taking up land required by a native state is doubtful, and as there may be objections to the Durbaris acquiring rights over land situated in British territory, this Government is of opinion that the best arrangement in the circumstances is that the District Board should construct and maintain the road, the Durbar contributing the whole cost incurred by the Board inclusive of the cost of acquiring the land needed for the road.

3 If the Durbar agrees to this arrangement, the necessary steps will be taken to carry it out.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read Endorsement of the Local and

Municipal Department, dated 14th August 1895, No 1131, on the letter from the President, District Board, Cuddapah, dated 18th June 1895, No 506.

Order thereon, dated 10th October 1895, No 4069 Mis

Having regard to the doubtful applicability of the Land Acquisition Act to the taking up of the land required on behalf of the Native State and to other reasons, the Mysore Durbar will be addressed in view of their assenting to any arrangement whereby the portion of the road in British territory will be constructed and maintained by the District Board, the Durbar contributing the whole cost inclusive of the cost of the acquisition of the land.

2 The following letter will be despatched in the Political Department to the Resident in Mysore
