(1) Negapatam.	} Water-supply.
(2) Tirupati.	
(3) Salem.	
(4) Calicut.	
(5) Cuddapah—	Drainage.

No. 2. Plans and estimates are with the Sanitary Board.

No. 4. No grant was made by the town for investigation, but it is understood that this will now be so and something may be done before the end of 1895-96.

In place, however, of work not done, other towns have been dealt with as will be shown in my annual report for 1895.

- (1) Water-supply of Negapatam.
- (2) Drainage of Cuddapah.
- (3) Water-supply of Calicut (papers are before Government).
- (4) Do. of Bellary.
- (5) Do. of Salem after results of experiments are known.

(1) Negapatam (water-supply); (2) Cuddapah (drainage); (3) Salem (water-supply); (4) Tuticorin (water-supply); (5) Bellary (water-supply); and (6) Calicut (water-supply).

4. It is not possible to determine the order in which schemes can be taken up and completed. Many circumstances determine and vary the period over which the preparation of a scheme extends; in regard to (4) Tuticorin, the scheme has already been completed and execution is delayed for want of funds.

5. The programme above refers only to the preparation of designs, submission of plans and estimates, and does not include surveys nor works under execution.

6. Government may probably desire to add the preparation of a scheme for Coonoor on the basis of the Sanitary Board's proposals, but as Government's views on this matter have not yet been communicated it does not appear in the programme.

ORDER—No. 1970 M., dated 25th November 1895.

The Sanitary Engineer's proposals are approved. The Coonoor water-supply scheme should also be included in his programme.
