(3) In Statement III the expenditure of Rs. 539-3-0 incurred by the Tinnevelly Taluk Board on Repairs of Buildings—

Buildings — minor works — by other agency; has been included under the total outlay by Local Fund Engineering establishment instead of that by "other agency".

(5) The opening balance of the endowed institutions, shown in column 2 of statement VI, has not been corrected with reference to the President's explanation on para 1(2) of the Government Memorandum dated 8th September 1894, No 774, recorded in G.O. d. 15-10-94, No 20562.

(6) From statement VI and para 50 of the President's report, it appears that there were 44 markets at the end of the year, but in para 16(b) the number of these institutions is given as 45.

(7) In columns 16 and 17 of the same statement the amounts allotted for Education and hospitals and dispensaries respectively from the funds of the endowed Choultries are shown as Rs. 525 and Rs. 3262 respectively; but the corresponding credits in columns 5 under schools and hospitals & dispensaries are Rs. 465 and Rs 3053.

(8) Notwithstanding the remark in para 1 (11) of the Govt. Memo. d. 8th September 1894, No 774, the advance collections of land cess have been included in the amount entered in column 7 of Statement VII instead of being shewn separately by means of a footnote.

(9) The building grants earned from Provincial funds should have been shown separately by means of a foot-note and not included in Column 9 of Statement IX.

(10) In column 22 of the same Statement the average cost of educating each pupil in the Upper Primary Schools on the salary result system is given as Rs. 9-4-10 instead of Rs. 9-14-10.

(11) The Public works expenditure in connexion with the Pandarakulam Chatram, shown in col. 12 of Statement XI, erroneously includes the cost of supervision and tools and plant.

(16) In para 23 the average cost of maintaining each mile of road in 1893-94 is given as Rs. 125 instead of Rs. 121, notwithstanding the remark in para 1 (24) of Govt. Memo. dt. 8.9.94, No 774.

(17) In para 30 it is stated that the Inspecting

the Inspecting schoolmasters prepared for examination 73 Board and 1889 other schools; but according to the statement shewing the work of these officers, 75 Board schools were inspected and 1889 schools were examined ~~while para 34 it appears that the total number of board schools at work during the year was only 65.~~

(18) In para 42 the number of watchmen employed to guard the sources of drinking water supply in 1893-94 is again given as 9 instead of 16, in spite of the remark in para 1 (16) of the Govt. Memo. dt. 8.9.94, No 774—

(19) Adding the 242 lamps which were newly put up during the year as detailed in para 47, to the 1327, which existed at the commencement, the total number at the end of the year should have been 1569 and not 1589, as stated therein.

CURRENT No. 2736

From,

A. W. B. Higgens Esquire,
President, District Board,
Timevelly.

To,

The Chief Secretary to Government,
Fort Saint George.

Sir,

I have the honor to reply to Memorandum dated 28th August 1895, No. 1212.

Para 1 (clause 4). The actual balance of 1893-94 is Rs 471 only. An interest of Rs 19 was levied on the arrears and credited in 1894-95, which was shown under Current Collections, hence the difference.

(Clause 6). The market at Kulasekharapatnam which ceased to exist, vide para 15 (b) of the administration report of 93-94 printed in G.O. Dated 17th September 1894, No. 1834 L and Rs, was erroneously included in the total number of markets shown in para 16 (b) of the report of 94-95.

(Clause 7). The amounts allotted for Education and medical institutions from the funds of the endowed chattrams were respectively Rs 525 and

and Rs 3,262 only. The difference of Rs 60/- in the corresponding credit in column 5 under the former is due to that amount having been shown in column 4 under "Government Contri.-butions," the appropriate column. The difference of Rs 209 under the latter represents the amount of Contribution adjusted from the Kuttalam Chatrum funds in favour of the Sivamadevi dispensary. This amount was erroneously shown as "Contribution from General Local Funds" instead of "other Contributions". The necessary Correction has been effected in the office copy.

(Clause 12) The figures shown in Statement No. XVIII are Correct.

(Clause 13) The figures furnished in Statement No. XVIII are Correct. In 1893-94 the population and houses of the whole mittah of Tirumalaimai-kompundukundi appears to have been included, instead of only those of the villages included in the union. This accounts for the increase.

(Clause 14) Submitted.

(Clause 17) The figures in the Statement are Correct and it is requested the No. in the report may be Corrected 73 into 75.

(Clause 19) The figures are Correct. The number of new lamps provided was 262 as detailed in the office Copy of the report:-

Under Tinnevelly Taluk Board.	Puliyangudi union	15
	3 Other unions	37.
Under Tuticorin Taluk Board.	Kayalpatnam	28.
	Ettayapuram	37.
	3 Other unions	38
Under Sivamadevi Taluk Board.	3 Unions	81
Under Srivilliputtur Taluk Board.	3 Unions	26
	Total	262
No. of lamps at the Commencement of the Year.		1,327.
	Total	1,589.

(Clause 21) As regards 94-95, the District Medical and Sanitary Officer has included under verification by the Deputy Inspector of the number of Cases (1631) the result of which was unknown: hence the difference. Probably the difference for 93-94 was due to a similar Cause. However I have asked the District Medical and Sanitary Officer for information. The figures were adopted from the report for that Year.

I have the honor to be,

Sir,

Your most obdt. Servant.

for President.
