MUNICIPAL COUNCIL, CHICACOLE.

TO

THE Chief Secretary to the Government,
Madras.

SIR,

In obedience to G.O. dated 28th October 1895, No 1521, I have the honor to explain the necessity for the entertainment of grass cutters as follows:-

Small pieces of unroofed ground, enclosed by four walls, with necessary gateways are generally used as latrines in this town, like in many other towns in these parts, and they being quite exposed, admit of grass and other weeds being grown in all seasons and especially in rainy season.

The removal of the weeds is absolutely necessary for the cleanliness of the latrines, and it is not a part of the duty of the private scavengers who have been employed only to conserve them.

The entertainment of the grass cutters is for the removal of the weeds, and the services of two grass cutters are found indispensable for 345 latrines that are now being conserved

Report of the Subcommittee appointed
to consider the desirability of increasing the
wages of scavengers with reference to para
4 of the G.O. dated 22nd July 1895. No.
1162. In reviewing the Chicago Municipal
Report for 1894-95.

The Subcommittee are of opinion
that the rate of Private scavenging fees may
be raised to annas 3 per month for every
latrine conserved once a day and the wages
to the scavengers may be raised to
Rs 2-8-0 per month for every scavenger.
They also propose that another grass cutter
may be engaged at Rs 3 per month in
as much as one cannot be expected to
do his duties satisfactorily when there
are about 250 latrines at present
in his charge.
