No. 666 Municipal Office
Tellicherry 12th November 1895

From,
M. R. Ry. V. Karunakara Menon Avergal
Chairman,
Municipal Council,
Tellicherry

To,
The Chief Secretary to Government
Fort St George

Sir,

With reference to Memorandum from Government dated 2nd November 1895, No. 1575, I have the honor to submit explanation therein called for.

1. Until the removal of the nightsoil and rubbish depôt to Darmapatam in the beginning of September last, the carts used for collecting and conveying nightsoil and rubbish to the health depôt within the Municipality were hand carts (6 for rubbish and 6 for nightsoil) drawn by men with the exception of 4 single bullock nightsoil carts.

2. Hence the necessity for the additional expenditure of Rs 900 has arisen from having to replace the hand carts by those drawn by bullocks, as the hand carts are found unequal to the task of conveying rubbish &c to the new depôt at Darmapatam, which is situated about 2 miles outside the Municipal limits

3. As the present financial position of the Municipality does not admit of the construction of new carts, and purchase of bullocks, 7 bullock carts, 4 being for rubbish and 3 for nightsoil have been hired at the rate of Rs 19-10-0 each for the former and Rs 22 each for the latter per mensem.

4. From the rates shown above, it will be seen that

that the hire of the 7 carts amounts to Rs 145 per mensem or in other words, the scheme will involve an expenditure of Rs 870 or Rs 900 in round numbers for 6 months from September last

5. The entertainment of bullock carts necessitate the dispensing with 10 out of 18 Coolies, who were employed in drawing the hand carts, the 8 Coolies retained being for transferring to the carts the rubbish and refuse collected by the Sweepers.

6. The omission of the 2 scavengers on Rs 9 in the Column shewing the present scale of the Proposition Statement was made through an oversight, which it is requested may now be supplied.

7. In this connection I have the honor to bring to notice that by the revision of the Public and Private Scavenging Establishments, there is a decrease of Rupee 1 in the former and an increase of 1 Rupee in the latter and not as erroneously stated in paragraph 3 of my report dated 16th October 1895, No. 601 and in the Proposition Statement accompanying it.

I have the honor to be,

Sir,

Local & Municipal Dept.
CURRENT No. 3189 M

From,

M. R. Ry. V. Karunakara Menon Avergal,
Chairman,
Municipal Council,
Tellicherry.

To,

The Chief Secretary to Government,
Fort St. George.
Thro' the Sub Collector of Malabar,
Tellicherry.

Sir,

In submitting herewith for the sanction of Government application for transfer of funds from Grants I, II and IV and a proposition statement in connection with the removal of the nightsoil and rubbish depôt from its site within the Municipality to Dharmapatam a place outside the Municipal limits as recommended by the Sanitary Commissioner, I have the honor to state that the working of the scheme will involve an expenditure of Rs 900 in round numbers. It is proposed to meet this charge by appropriating Rs 500 from Grants I, II and IV and Rs 400 from the budget allotment under Conservancy Road cleaning Establishment.

R. No. 1027 M
26-6-95

2. On purely sanitary grounds it has been thought an imperative necessity to effect the removal of the depôt as speedily as possible and hence the matter is one of great urgency

3. In view of the greater distance of the new depôt, it has been thought advisable to re organize both the

Public

Public and Private scavenging Establishments with an equitable distribution of the salaries of the scavengers to admit of the appointment of 2 additional maistries to enable stricter supervision being exercised over their work as shown in the proposition statement without however materially interfering with the Budget allotment. By this re-organization there is an increase of Rupee one in the Public and a decrease of the same sum in the Private scavenging Establishment, and I have the honor to solicit that the Establishments as now re-organized may be sanctioned with retrospective effect from September last.

4. Although in G. O. dated 24th July 1891, No. 1152 Mn. it has been ruled that no proposals under Establishment should be made except with the submission of budgets, yet it is hoped that the importance attached to this subject will justify the submission of the proposals at this part of the year.

5. In forwarding Extract from the Proceedings of the Council under date the 23rd September 1895 I have the honor to solicit the very early sanction of Government to these proposals in view of the circumstances above set forth.

I have the honor to be,
