Sir,

I have the honor to bring to your notice that Latchumaniah Naidu, the medical officer then in charge of the Tiruvallur Dispensary reported on the 23d July last that the relations of two deceased individuals viz Samy Sastry and Ratna Chetty who during their sickness had been supplied with medicines of the value of Rs. 64. 8. 6 and Rs: 6. " . " respectively from the dispensary while they were under the treatment of the Civil Apothecary Abdul Aziz Sahib who was in charge of the Local Fund Dispensary during his (Latchumaniah Naidoos') absence on leave, refused to pay the value of the medicines. The report was referred to the Tahsildar of Tiruvallur who reported that both the patients were ~~sick~~ rich men. As G.O. No: $\frac{2504}{2}$ dated 25th October 1889 lays down that private individuals who are able to pay, should be charged for medicines supplied from Local fund dispensaries I sent for the relations of the above two individuals and questioned them. Ratnavelu Chetti the brother-in-law of Rutna Chetti consented to pay the value of the medicines and made the payment at once. Nagoo Sastry the brother of Samy Sastry stated that he has already paid Rs: 120 for purchasing medicines from Madras and Rs: 150 for attendance to the Civil Apothecary. He says that the necessary medicines were purchased in Madras and denies all knowledge of any medicines having been supplied from the local fund dispensary. The medicines appear to have been supplied from 11th May to 14th June 1894 but the Civil Apothecary did not [illegible] 1894
him both morning
[illegible] is paid from

and there and the bill was prepared on the 23d June a fortnight after the death of Sami Sastri. If, as Nagoo Sastry states, the Civil Apothecary has received Rs: 120 for medicines and Rs: 150 for attendance, he was not justified in supplying medicines from the Dispensary and even supposing ~~medicines from the Dispen-sary~~ that there was nothing improper in supplying medicines from the dispensary in the circumstances, he ought to have seen that payment was made for it then and there. The deceased was a pleader practising in the Tiruvallur District Munsiff's court and also a member of the District and Taluk Boards. It seems to me that in the circumstances stated by the deceased's brother the Civil Apothecary must be made liable for the value of the medicines supplied from the Dispensary.

I therefore request that you will be good enough to address the Superintendent of the Lying-in-hospital, Madras, where the Civil Apothecary is, I understood, now employed, to recover the value of the medicines from him.

The connected papers are herewith sent.

I have the honor &c

SIR,

I have the honor to submit the following case for the consideration of Government and for favor of passing such orders as may be deemed fit.

2. The President of the Trivallur taluk board in his Ref. No. 939 dated 8th February 1895 (Copy enclosed) reported that one Abdul Aziz lately attached to the Local Fund dispensary at Trivallur failed to collect Rs: 64. 8. 6., being the amount of a bill dated 23d June 1894 for medicines supplied by him to one Sami Sastri of that place from 11th May to 14th June 1894, and that the same cannot be recovered as the party to whom the medicines were supplied died on the 14th June 1894, and the brother of the deceased refused payment on the

score of his having already made payment to the above hospital assistant.

3. Explanation of the above officer was obtained through the Surgeon General under whom he is now employed and a copy thereof with the Surgeon General's opinion is submitted herewith for perusal. In this he admits the delay in issuing the bill from 14th to 23d June which is only 9 days and denies having received payment for the medicines supplied from the Local Fund dispensary.

4. The taluk board before which the subject came on for disposal being not satisfied with the explanation, ordered the recovery of the bill amount from the hospital assistant who was then in charge of the dispensary. The taluq board President requested me in his Ref. No. 674 dated 9th May 1895, to take necessary steps to have the sum recovered from the above Hospital Assistant.

5. In the accompanying copy of letter No. 233 dated 27th May 1895 I informed him that no steps could be taken by me as the individual referred to is now under the Surgeon General who thinks that he is not liable to make good the ~~loss~~ loss and that the amount could only be recovered by a civil suit which might not prove successful.

6. The taluk board passed thereon its resolution No. 9 dated 6th July 1895 (Copy herewi and resolved to refer the matter for the order of Government.

7. In the foregoing circumstances, I consid that the amount should be written off as irrecoverable. The hospital assistant cannot I think be held liable for the loss on the ground of such short delay of 9 days in issuing the bill and demanding payment, as bills for medicines supplied are generally sent in at the end of the month.
