TO

THE Chief Secretary to the Government

Fort St. George

SIR,

In forwarding the enclosed Extract
from the Proceedings of the Chicacole
Municipal Council at its meeting held
on the 2nd August 1895, I have the
honour to request sanction for this
Council to contribute half of the Salary
of the Lady Apothecary and also to the
reduction of the Salary of the Midwife
to Rs 12/- per mensem. The latter is
working rather unsatisfactorily and
this Council is of opinion that she
should not receive more than the
amount performed for the work she
turns out.

2. Provision for the contribution towards
the salary of the Lady Apothecary will be
made in the Revised Budget Estimate

With

with retrospective effect from the date
that she joins for duty.

I have the honour to be,

Sir,

from the President District Board Ganjam
informing that it was proposed to send the
female Apothecary to Chicacole provided the
Municipality contributes half of her pay

Read also G.O. dated 2nd December 1893
No 1671 M. Mis. on the subject

The Council resolves to employ a Lady Apothecary
and consent to the proposal of the President District
Board Ganjam to the posting of Miss D. Silva. Half
her salary will be paid by this Municipality
and provision for the same will be made in the
Revised Budget. The Council further resolves that
the Hospital Assistant and Midwife should be
retained, as their services are essentially necessary
but as the work of the Midwife will be reduced
after the arrival of the Lady Apothecary and the present
salary was paid when Midwives were scarce, the salary
of the post will be reduced to Rs. 12/- per mensem with-
out house rent

advantage by placing them in charge of out-patient dispensaries entirely separated from existing institutions under male management and that the whole personnel of the establishment should be of one sex - and that female Compounders should be trained at such hospitals and subsequently attached to the female dispensary, and that the funds are willing to give a stipend of Rs 5/- during the period of training of such Compounders, was duly considered. The matter was then referred to the District Medical and Sanitary Officer, Bangalore, for his remarks. This officer in reply stated, as his opinion, that if funds were available, it would be advisable to have a separate building for the location of the female dispensary and suggested that the building in which the Civil Hospital was formerly located be procured for this purpose.

He was also of opinion that women cannot be got in this District to be trained as Compounders.

Negotiations were made for the purchase of the building alluded to above but as the owner demanded a sum much above what the building was actually worth, the matter was dropped.

In the meantime, one Mr. Karapana Murthy Pantulu, a member of the District Board undertook to raise subscriptions among the well-to-do

on account of the proposed separate female institution; the District Board before granting any contribution to this expenditure decided to await the result of the subscriptions. The difficulty in procuring suitable accommodation in the town has been the cause of delay - however arrangements are now being made for the purchase of a building in which the post office was previously located and until some decision is arrived at as regards the price of the building it is not likely that the proposal regarding raising of subscriptions and the District Board's contribution in connection therewith can be effected. The President, District Board, has now been addressed to advertise in the local Gazette for female Compounders. At present the Lady Apothecary is in charge of the female In and Out-patient Departments of the Hospital and is also available for calls in the town.

I have the honor to be,

Sir,
