RRENT No. 3587/1

From M. R. Ry. C. Adikesavulu Naidugaru B.A.B.C.L.,
Chairman, Municipal Council,
CUDDAPAH.

To

The Chief Secretary to Government,
Local and Municipal Department,
Fort St George.

Sir,

In reference to your Memorandum dated the 15th instant (Ultimo), I have the honor to state as follows:-

Para 2 of the Memorandum } The amount of the Jubile Prize Endowment is Rs 100 as shown in Column 2 of Statement I-A. The interest on the endowment has not been drawn for the last several years, and it has amounted to Rs 26-6-0.

The amount of the endowment with interest has been shown in the Note to Statement II as Rs 126-6-0.

Para.

Para 6 of the Memorandum } In the year 1894-95 two public latrines were, as suggested by the Sanitary Commissioner, abolished and so the services of the 3 scavengers attached thereto were, instead of being dispensed with, utilized for scavenging the private latrines the ~~whose~~ number of which increased during the year. This addition to the private scavenging establishment being only from the sanctioned staff for the General Conservancy. Government sanction was not thought necessary to obtain. As regards the additional bill-collector, the increased provision made in the revised estimate under Collection establishment, for the year having been sanctioned. no fresh sanction was thought necessary. The total expenditure on account of the Collection establishment was, however, within the allotment for the year. The necessity for the entertainment of an additional avenue servant was explained in this office letter No ✗ embodied in G.O. No ✗. The avenue servant was employed as a temporary measure two months before the close of the year pending sanction of the fresh provision in the current year's budget. Government sanction was by mistake not obtained for the same.

Para 8 of the Memorandum } Rs 463 in Column 3 of statement IV B under Taxation Arts is a mistake for Rs 464-8-0. Rs 1-8-0 has to be entered in Column 6 of the Statement as remitted.

Para 10 & 12 of the Memorandum } Revised Statements Nos V A & IX are enclosed

Para 11 of the Memorandum } The number of girls in the Municipal Schools was 28, as shown in para 6 of the report.

Para 13 of the Memorandum } In the office Copy of Statement IX, the number of houses as per Census is shown as 5278 and not 5289, which is an error

Para 14 & 15 of the Memorandum } The number of houses served by the Private Scavenging agency was 1003 and not 973 and the number of public latrines on the 31st March 1895 was 10 single and 13 double. Statements Nos IX and XI are accordingly corrected.

Para

Para 18 of the Memorandum } For the employment of the temporary gardener, Government sanction was not obtained by oversight. He was employed as a temporary measure and provision was made in the Current Year's budget

Sir,

In reply to the concluding para of your letter no. 338 of 16th instant, I have the honor to inform you (as stated in a previous letter) that I cannot take any action in the matter of the Substitution of a wire fence for the existing aloe hedge between this Railway line and the new road on the South bank of the Vaigai river, until the question of the encroachment, made by your Municipality upon the South Indian Railway lands, has been settled.

I have to point out that this Subject has been under reference for some considerable time, that you have been furnished with plans clearly showing the extent of the Company's lands and that there does not appear to be any difficulty in

in arriving at an early settlement of the question as to whom the land, upon which the newly opened road has been located, belongs.

Sir,

Adverting to the correspondence ending with your letter no: 6124/1141 dated the 20th ultimo, I have the honor to state that the land in dispute is evidently one of the several plots relinquished by the Railway Company and made over to the Municipality by the Government. In proof of this, I have to draw your attention to the fact that it has not been fenced. As the aloe hedge endangers public safety, I request you will kindly cause measures to be adopted without any further delay to put up a wire fence and if this is not done I regret I shall have to take legal steps to enforce the same.

The plans received with your letter no. 1184/432 dated 13th February last are herewith returned.

No. 72

CHIEF SECRETARY GOVERNMENT OF MADRAS 15 NOV. 1895

SUBJECT.

Submitting copies of correspondence passed between the Agent, South Indian Railway, Trichinopoly and the Chairman, Municipal Council, Madura, regarding the substitution of wire fencing for aloe hedge within the Municipal limit and referring for the orders of Government, the Resolution of the Council to prosecute the Railway Company

Endorsement on Current No. 4796 Genl of 95

Submitted.

2 The road is an accomplished fact. It is submitted that if the aim of the Railway authorities is to close and abolish the road it is for them to take action. If, as seems probable, they do not intend this, they have no excuse for delaying to comply with the Chairman's request, pending settlement of encroachment question.

3 The object of this reference seems to be to elicit an expression of the opinion of Government, which would render a resort to prosecution unnecessary.
