To

THE Chairman, Municipal Council,
Vizagapatam.

Sir,

With reference to your letter no: 995 dated the 9th Instant, I have the honor to state that I do not think it is possible to prevent ~~the~~ premature decomposition of meat in the curing process during the rainy months as the moisture in the air must necessarily help to decompose the meat.

I am of opinion that the Beef Curing trade may be carried on in Vizagapatam from 1st January up to 1st July of each year and that from 1st July to 31st December the work should be in total abeyance.

I have the honor to be,
Sir,
