Nilgiri D. Board's office
Colacumund 5th October 1895

Draft Notification by the Nilgiri
District Board.

With the approval of the Right
Honourable the Governor in Council, the
District Board of Nilgiris, under Section
88 of the Madras Local Boards Act I of
1884, hereby notifies, that from and after
the 1st April 1896, the toll gate situated
at present at Sellacotta at 11th mile 4th
furlong of the Gudalur Sultan's Battery
road, will be removed to the commencement
of the first mile of the said road, at the
point immediately above the junction of
the Road leading to the Traveller's Bungalow
at Gudalur.

W. S. S. S.

for President
D. Board,
Nilgiris

Local Fund Dept.

Reference No. 278/95

Nilgiri District Board office
Coilacammund 4th October 95

Local & Municipal Dept.
CURRENT No. 2896 L

From

J. D. Rees Esq.
President, District Board
Nilgiris

To

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

Sir,

I have the honour to report, that from the experience of the last three years it is known that the Nellacotta toll Bar in its present situation (Sanctioned in G.O. No. 1541 L. Dis. dated 17th July 1893) does not realize an adequate revenue.

2. The income obtained since the establishment of the gate in August 1893 has been as follows.

For eight months in 1893-94	Rs. 250.
1894-95	Rs. 550
1895-96.	Rs. 340 1/2

3. It has been decided by the District Board on the representation of its Wynaad members, in consultation with the Head Assistant Collector, that the bar should be removed

2896/95

to the commencement of the Gudalur
Sultan's Battery Road, (1st mile) at the
point immediately above the junction
of that road with the road leading to the
Traveller's Bungalow at Gudalur, in which
position it will command all the traffic,
in the first ten miles of the Gudalur Sultan's
Battery Road (ie) between Gudalur and
Bellacotta, which section at present entirely
escapes being tolled.

4. In this section are many Estates and
traffic (in grain supplies and manure) con-
nected.

5. It ~~is~~ therefore believed that the pro-
posed change will be decidedly remunerative
but it cannot be made until the existing
contract expires.

6. Copies of Board's Resolution passed
at the meetings held on the 25th April 1895 and
23rd August 1895, in regard to the approval of
the proposed site, are attached.

7. A sketch showing the proposed site
of the Toll Bar is enclosed. The present
Toll gate being over ten miles away, it is
not shown in the sketch. It can however
be seen from the sketch forwarded to
Government with Mr. Wolfed Murray's letter
No. 471 dated the 16th June 1893.

8. The usual Draft notification is submitted

for the approval of Government and
favour of publication, if approved, in the
Fort St. George Gazette.
9. Tolls will be levied, as at present, at the
maximum rates laid down in schedule
B appended to the Madras Local Board's
Act I of 1884.

I have the honour to be,
Sir,
your most obedt Servt.
