Sir,

With reference to para 7 of G.O.,

dated 8th August '95, No. 1389 L. Local and

Genl., I have the honor to state that the Municipal Vaccinators having been pressed by the District Medical and Sanitary Officer

to vaccinate every case of birth registered previous to May last, they were not able to

find time to take copies of entries of births from the office register during 1894-95 with the desired regularity in view to

the

Copies

2. This was explained to the Sanitary
Commissioner in my letter (Copy enclosed) &
recorded in the accompanying Copy of
Proceedings of the Sanitary Board, from
which it will also be seen that my proposal
to introduce after March last, the system of
preparing Vaccination returns, in the form
prescribed in the G.O., just quoted, was
approved.

3. As suggested in the above Proceedings
of the Sanitary Board, Vaccinators have been
furnished with Copies of entries of births
from the office registers from the current
fiscal year and returns in the form
shown in G.O., dated 19 October 1894,
No. 1502 G.O. & Annual. have been submitted
