Dec. No. ²²⁰⁵ _{DB} /95

FROM

V. A. Brodie Esquire
President

District Board, Godavari

TO

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

SIR,

In reference to G. O. No. ¹²⁷¹⁶ _{20.7.95} ^{mis.}
I have the honor to state as follows:-

Clauses (1), (2), (6), (7) and (8) - Voted.

Clause (2). - With reference to the question raised by Government, the President of the Cocanada Taluk Board states thus:-

"There are no specific terms for the original Grant
"with the exception that 15 persons should be fed daily
"in the Choultry. The endowment consists of one-fourth
"of Gadavolu Estate and some Inams. When
"the institution was originally established, it
"might have been thought by the founder
"that the rents that might be realized from

from the grant lands, would not amply be
sufficient to feed more than 15 persons a
day. Now the rents owing to rise in prices
and better enterprise of people in culti-
vation have risen to Rs 5360 a year.
Consequently any number of people
without limit of all castes and creeds
are fed in the Choultry. The average
annual expenditure of the Choultry is
about Rs 3000. There is every year a
surplus balance. The present aggregated
surplus balance is Rs 10,942 of which
Rs 2000 have since been sanctioned
for the repairs and improvements of
the Choultry. The surplus balance will
have to be utilized for some charitable
purpose. To meet this, and there are
no specific terms for the grant, it is
proposed that a rest house for
travellers should be built at Tuni

3
"in the name of the original founder. By doing
so, I do not think that we will be acting
contrary to the terms of the grant."

Clause (3). A copy of the statement No. VIII,
as far as it relates to the Kousapora Taluk
Board is enclosed, as ordered.

Clause (5). The Treasury Dy Collector,
explains that the actuals for the first
five months shown in statement IX
were adopted from the Land Revenue
D.C.B. statements for those months which
included large sums brought to account
towards the close of the Fasli by means
of adjustments of advance collections
of previous months, and that the dis-
crepancy noticed by Government
was due to this cause. He promises
to adhere, in future, to the instructions
now issued by Government, in filling
in columns 5 and 6 of Statement
IX.
