Order No. 2059 min. 9-12-95

The Government consider that ^{it} ~~it~~ ^{is} ~~is~~ no objection to the names of the Municipal Commissioners who are in arrears with their taxes ^{should not be} ~~being~~ given in the future annual audit reports, as the President must know who they are, and has ample power to compel payment of arrears.

I doubt the advisability of this. The President should know what the defaulting Commissioners are and he has his own means of knowing them. He has given them ample power.

SIR,

With reference to para. 2 of Government Order No. 1480 of the 12th September 1895, we have the honour to inquire whether the names of Municipal Commissioners who are in arrears with their taxes should be given in future annual or monthly audit reports on the accounts of the Madras Municipality. As the Commissioners are liable to be subjected to the usual coercive measures for failure to pay their taxes, objection on the score of undue exposure may perhaps be taken to the practice of pillorying them.

We have the honour to be,
Sir,
Your obedient Servants,

Harrison
Offg Accountant-General
