To

The Chief Secretary to Government,

Madras.

SIR,

I have the honor to solicit the
sanction of Government for subscription
towards pension in behalf of the
undermentioned clerks, accountants,
storekeeper and Draftsman in every
branch of the Local Fund Administration
in the District under article 863 of the
Civil Service Regulations

2. The District Board and all the

resolved that contribution should be
made (copies enclosed).

3. The advantages of making this
arrangement are manifest. It will
secure for the employees a right to pen-

from Government and the District Board while it has nothing - for it is proposed to reduce the salaries of the several appointments by one tenth which is the amount of contribution - gains immensely in as much as the service under Local Boards will become equally attractive with provincial service.

4. I am very much in favour of this arrangement and I strongly recommend that it be sanctioned with effect from 1st November 1895 that deductions will commence from the bill presented in December next.
