DECEMBER.

Contribution towards the cost of Controlling Establishments.

Ordering, with remarks, that in fixing the amount of contributions to be paid by local funds towards the cost of controlling establishments, the basis of calculation should be the ordinary annual transactions of each fund.

No. 2069 M., 9th December 1895.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

Read—the following paper :—

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated 1st November 1895, No. I.B.B.-258.

I have the honour to state that, in the matter of recovery of the cost of Controlling Establishments, Reserve Medical Staff, Medical College and Sanitary Inspection, from the various local bodies including the Madras Municipality, the total receipts of the latter including Provincial grants and excluding opening balances have been taken as the basis of the distribution of the cost under the marginally-noted orders; but the President, Madras Municipality, contends, in his letter, No. 410, dated 16th October 1895 (enclosed), that Provincial grants should, in the case of the Medical College, be excluded under G.O., No. 1979, Financial, dated 26th August 1884, which, he says, remains yet uncancelled. I have the honour to request, therefore, that you will be so good as to state whether, in view of the Government Orders under reference, it was not the intention of Government to exclude only the opening balances in the case of the Medical College and other establishments as in the case of the controlling establishments.

L G.O., No. 468, Financial, dated 29th May 1886.
D G O., No. 225, Financial, dated 21st February 1887, and
G G.O., No. 988, Local and Municipal, dated 23rd April 1891.

If, on the other hand, it is held that the President's contention may be allowed, I request also that I may be informed whether similar deductions are made in the Secretariat in the statement of district municipal receipts furnished to this office each year (*vide* G.O., No. 1516, Local and Municipal, dated 20th October 1894).

Enclosure.

From Lieutenant-Colonel G. M. J. MOORE, c.i.e., President, Municipal Commission, to the Accountant-General, dated Madras, 16th October 1895, G. No. 410.

With reference to your letter, No. 240-I.B.B., dated 7th October 1895, Book Department, I have the honour to state that the G.O., No. 988 L., dated 23rd April 1891, referred to therein, seems to me to have no bearing on the matter in question, but it refers to the method of distributing the cost of audit establishment, &c., among the several district boards and municipal councils. G.O., No. 1979, Financial, dated 26th August 1884, which directs the exclusion of all provincial grants from the actual income of this municipality for calculating the payment of contribution for the Medical College remains yet uncancelled.

Order—No. 2069 M., dated 9th December 1895.

It appears to Government that in fixing the amount of contribution to be paid by local funds towards the cost of controlling establishments the basis of calculation should be the ordinary annual transactions of each fund, and therefore in future all such casual receipts as special Provincial grants and loans should be excluded from the annual income on which the calculation is based
