Sir,

With reference to G.O. dated
6th December 94 No 2561 L. I beg leave to
point out the report of this district Board
for the year 93-94, was despatched by me
on the 14th and should have reached
Government on the 15th July 1894.

2 The district has been commended
in the order of Government for the accuracy
of its report, and is one of six which
Government has described as the "most
prominent examples of good administration"

I am therefore anxious that its
t punctuality, should not escape notice, and

and I imagine it is by an oversight
that it has been omitted from the
list in line 2. para 2 of the review
order. As the Nilgiri Report for the year
was the first reviewed it is not
unprobable that it was the first
received by Government.

If it is commended for its punctuality,
it will share with Trichinopoly the
privilege of being one of the two districts
which find a place in the three lists of
honour.

3. With reference to para 4 remarking
on the decline in the number of meetings,
reference is solicited to G.O. No 2890 L.
Misc. dated 10th December 1892^{by} which
bi-monthly meetings were sanctioned.

Still there was a decline
the fact that the
bi-monthly was not
overlooked. viz from
2 of the series of the
D. B. is admitted.

I have the honour to be
Sir

Your most obedt servant.
