Read the following letters from
the Principals, Teulada College.

No. 1678 of 19.6.1895.

No. 1712 of 18.7.95.

Submitting for perusal certain
documents in connection with the
appointment of one Hanumanta
Rau as gymnastic Instructor of the
Aengale Municipality.

The Aengale Municipality Council,
was certainly at fault in having given
I. Hanumanta Rau a provisional —
appointment as gymnastic Instructor
when no such appointment existed
at the time. But as, under the terms
of the bonds executed by him, Hanumanta
Rau is liable to the penalty of
refunding to the State whatever amount
he has drawn from Provincial funds
in the event of his failure to serve as
a gymnastic Instructor for a period of
three years after the completion of his

Training, & should be called on directly
to refund within a reasonable time
the amount to be fixed by the Principals.
It is then for Hanumantha Rao. to take
the necessary steps against the Municipal
Council, Angole, for the recovery of the
principal amount refunded by him to the
State.

LOCAL & MUNICIPAL DEPT

CURRENT No. 3118

118 Mr. F. Mandakow & P. P. Gani,

Chairman, Municipal Council,
Ongole.

To

The Chief Secretary,
to Government Fort St. George,
Madras.

The Government should be requested for

orders to the Director of Public Instruction

to keep his order to the Principal of the College, Ellore.

In forwarding herewith a copy of

Council's resolution together with

other papers on the subject for the orders

of Government, I have the honor to submit

for consideration.

1. In the budget for 1894-95 the appointment of a gymnastic instructor was provided for, but without making any allotment for it, as he had to undergo training there, and as no qualified man was immediately available for the purpose.

2. One J. Hanumantha Rao was then given a provisional appointment and sent to Teacher's College Madras for purposes of training with a request as a special case to the Principal of the College that he (Hanumantha Rao) be admitted as a stipendiary student, from provincial funds, on account of the financial difficulties of this municipality.

After some correspondence on the subject the Officer was kind enough to comply with the request.

Hanumantha Rao accordingly

his course of training there, and produced duly a certificate to that effect from the Principal.

3. In the budget for 1895-96 provision was duly made for the purpose, but the Government in reviewing and passing the same, struck off that item. (Please see para (3) Grant II of order date of

8th February 1895 No. 201 M. —

I communicated the same to Hanumantha Rao after his return from the College.

4. While thus are the affairs the Director of Public Instruction directed in his forwarding No. 8079 the Principal of the Teacher's College, Madras, to levy the stipend drawn by the student under reference, suggesting also that he (the student) may recover the same from the Municipality. Hence his application for it.

On disposing of this application, the other side came to understand that the Government has got an acting appointment board School, Kanak by

by the District Board, Kllow,
and he is very likely to be confirmed
in it, as the permanent incumbent
has, it seems, resigned his
appointment. If he is not to be
confirmed there, under any
circumstances, the Council is prepared
to give him the appointment in the
next budget, which is not far
from it. Such being the case
he cannot be said to have
forfeited his bond.

Under these circumstances, I
submit that the Government
will be pleased to issue necessary
orders to the Director of Public
Instruction to keep his Proceedings
in abeyance until then, and
further request, that the enclosures
may be returned when no longer
required.

I have the honor to be
