CURRENT No. 3879

From

GIRUPATI,

THE

Chief Secretary to Government,
Local and Municipal Departments,
Madras.

Sir,

I have the honor to submit that a Municipal girl school was opened in July last in reference to G. O. dated 9th March 1895, No: 398 in reviewing the Municipal budget of this Municipality for the current year. In providing for one teacher for the current year for the said school, the Council was under the impression that the strength of the school would not rise so high as 55 within a small space of 3 months. This has been formed into ~~four~~ standards as noted in the margin. The Council apprehends that

that it is not possible for one teacher to manage such a large number as stated above especially as the pupils are young and the imparting of elementary education to them is difficult, and it, therefore, resolves that an additional teacher on Rs 6 per mensem is absolutely necessary for the fair progress of the school.

2. In these circumstances, I beg to request that you will be pleased to obtain the sanction of Government for the emertainment of an additional teacher at once, and also for an allotment of Rs 30 on that account, the same being met from the general savings.

3. An extract from the minutes of proceedings of the Municipal Council, Tirupati, a proposition statement and an application for allotment of funds are submitted herewith.
