South Arcot.

Sir,

With reference to your advertisement in the Hindu for ^{applications to} the post of Assistant Engineer under the District Board, I desire to offer myself as a candidate for the same. As to my qualifications, I am a Bachelor of Arts (1889 Jan). Bachelor of Civil Engineering (1892 Jan) of the Madras University and also hold the Diploma in Civil Engineering of the Madras College of Engineering. As to my practical experience I have served for a period of one year in the P.W. Workshops, six months in the Consulting Architects to Government, six months in the Kistna Delta Irrigation Project and I am at present employed in the Periar works of the Irrigation Division.

I beg to remain
Your most obedient servant
V.R. Pranatarthihara Aiyar

V.R. Pranatartihara Aiyar B.A. B.C.E. joined this Division towards the end of 1891 and was a good deal employed in assisting

Mr Chatterton in current metre observation on the Canals of this Delta. In the intervals between these experiments he was for some time in charge of Experimental Brigade at Mallagutta, where he had an opportunity getting experience in the work of Portable Engines and Centrifugal pumps and in the details of the distribution of water to an area of over 10,000 acres. Subsequently he was employed in Levelling work and in Supervising the Erection and Riveting up of the Lion Girders Bridge across the Polray Drain.

He has also been employed in preparing alternative Designs for the Bridge across the Pullaru at Panamra and in connection therewith has done such Surveying as was necessary. He has had very good opportunities of acquiring a knowledge of the regulation and distribution of water and has, I think made good use thereof. He has done all the work

that was given him in a satisfactory way and has proved a useful Assistant

CR. Reg. No. 142 of 1895

DISTRICT BOARD PRESIDENT'S OFFICE

Camp Engineer.

20 October 1895

From, A.E. Castledune Esquire.
President, District Board,
SOUTH ARCOT.
CURRENT No. 142
To, The Chief Secretary to Government,
Local and Municipal Department,
MADRAS.

Enclosure.

Sir,
I have the honour to recommend
that Mr. Philip Vary may be appointed
Local Fund Engineer of this District
and Mr. V.R. Pravatathihara Siva
and B.A. B.C. & C.E. Assistant Engineer
both on 6 months probation from 1st
November next. The permanent Local
Fund Engineer, R. G. No. 10 for B.C. & C.E.,
has resigned with effect from 1st
November 95 and requested that
arrangements may be made to relieve
him by the above date.

2. As regards Mr. Vary I have already
detailed his qualifications in my
letter dated 18 May last No. 1052 recom-
mending his appointment as Asst.
Local Fund Engineer. During the
short time that he has been in

*. Vide G.O. dated 8.6.95 No. 22989 & No. 22990

this District he has done much to improve the state of the roads entrusted to his charge and the real interest he takes in his work his energy and ability in the discharge of his duties make me confident that he will make an excellent District Engineer. I therefore strongly recommend his appointment.

3. Mr. Dy. V. R. Prananthakara Iyer and is employed as an Upper Subordinate, P. W. D., Uthamapalayam, Madurai District. His qualifications for the post of Assistant Engineer are high. He is a B.A., B.C.E. & B.E. and has excellent testimonials a copy of which is submitted for the information of Government. He informs me that his Superintending Engineer has granted him permission to take up this post. I have every reason to hope that he will give satisfaction in the appointment for which he is now recommended on probation for 6 months. In concluding I beg to add that both my nominees have been selected with due regard to the wants of the District and with reference to their qualifications and that if their appointments

appointments are sanctioned there is every reason to expect considerable improvement in the state of the roads, as vested in the District Board. 4. I request the favour of very early orders.

I have the honour to be,
Sir,
Your most obedient servant,

M. M. M.

For orders.

As regards the proposed appoint-
ment of Mr. Henry, as A. S. Engineer
please see the notes and orders in
G.O. No. 989 of 8-6-95. But he is now
Assistant Engineer in the same
District and the President speaks
highly of him and recommends
him strongly.

2. The President's nominee for
the Assistant Engineer is the
person referred to in the Chief
Secretary's note for orders in G.O.
