To

THE RIGHT HONOURABLE LORD GEORGE FRANCIS HAMILTON,
Her Majesty's Secretary of State for India.

Simla, 30th July 1895.

MY LORD,

WITH reference to the Despatches marginally noted, we have the honour to forward a copy of a letter from the Government of Madras containing a proposal to increase, from Rs. 450 to Rs. 550 a month, the pay of Mr. Minchin, an Assistant Engineer in charge of certain water-supply and drainage works now being carried out in that Presidency under the supervision of the Sanitary Engineer.

To Her Majesty's Secretary of State, No. 82 (Financial), dated 20th April 1892.

From Her Majesty's Secretary of State, No. 23 (Public Works), dated 26th May 1892.

2. The appointment held by Mr. Minchin was sanctioned in Lord Cross's Despatch No. 23 (Public Works), dated the 26th May 1892, as a temporary and non-pensionable one, the salary being met from the provision made for the works of which the Assistant Engineer is in charge. It will be observed from the Proceedings of the Local Government that Mr. Minchin's charge has since been considerably increased and that the works are both large and important involving a heavy outlay and requiring constant and careful supervision. As Mr. Minchin is said to have performed his duties satisfactorily, we trust that the proposal will meet with Your Lordship's approval.

We have the honour to be,

MY LORD,

Your Lordship's most obedient, humble Servants,

(Signed) ELGIN.
