4. 2. 95

With reference to G. O. No. 1938 M. No.

dated 13th December 1894, I have the honor to
submit that the revision of house and trade
taxes having just been over and the official
year drawing to its close, the Council was of
opinion that it would be impracticable to give
effect to the revision of land tax this year for
the reason that the lands which are scattered
all over the town have to be measured very
minutely.

2. If the revision of land tax be taken up,
great inconvenience would be felt in the
collection of other taxes and in meeting
the important charges.

3. I will begin with the revision of land
tax at the beginning of the next year
and report the result at the end of the year.
